

### Program Update

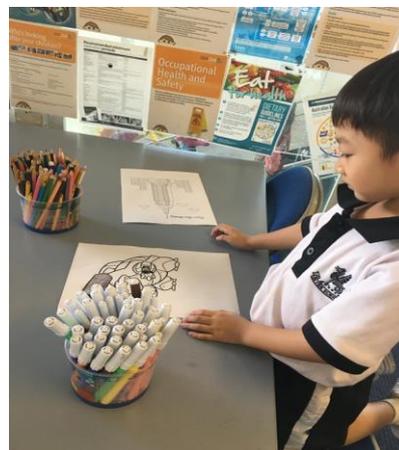

#### What's been happening at OSHClub

Over the past fortnight the boys have enjoyed playing a variety of sporting games and group games that they had specifically requested. We continue to build on our team cooperation skills and the boys had plenty of opportunities to lead their own group games in a fair and exciting manner. They have also been engaging in a variety of art and craft activities, with glitter creations and Pokémon art being very popular the past two weeks.

The boys always have an opportunity to complete homework, and engage in activities of interest. We will be also ending this week with some St. Patricks Day activities 😊

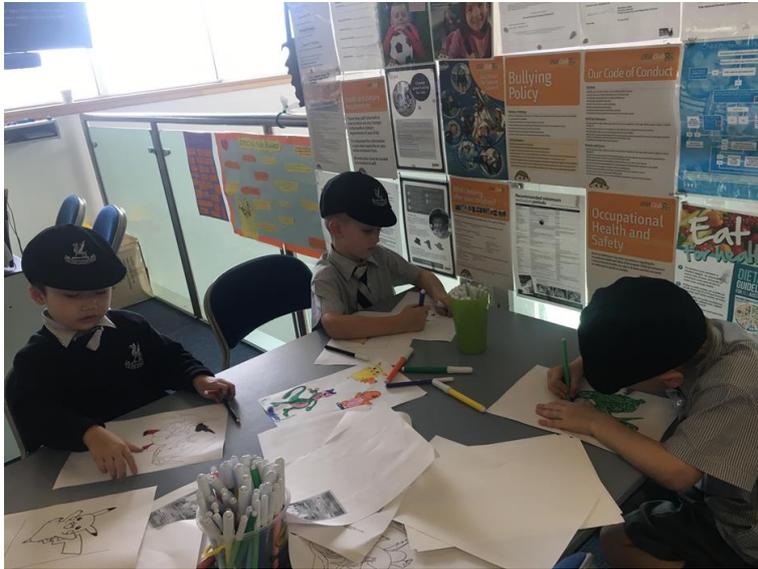

We would like to remind parents that if they would like to request for their boy/s to do homework at OSHClub, please inform a member of staff.

As always, if any of the parents have any suggestions for OSHClub, please let us know!
