

Program Update

What's been happening at OSHClub

We've had a busy couple of weeks, with plenty of sport and art work happening.

Large tournaments of handball are very popular at the moment, and it is definitely the most popular sport we have at OSHClub, followed by cricket.

The boys have created a great idea of tracing their printed designs of choice over the glass, as you can see from the pictures below 😊

Our Kindergarten's are often busy creating beautiful art works and colouring – ins; We are running out of space on the wall!

We are looking forward to our Vacation care program that starts on the 10th April. We have planned a fun and action packed program with a different theme from day to day, including 'Super Science' and 'Multi Sports Day'. Our excursions include Putt Putt, Bowling and Laser Tag. You can find more information about it on the OSHClub website at oshclub.com.au and please don't hesitate to call the program if you have any questions.

As always, the boys always have an opportunity to complete homework, and engage in activities of interest.

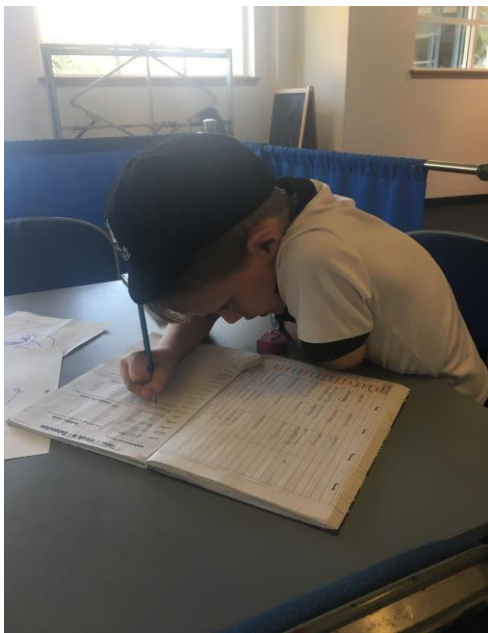

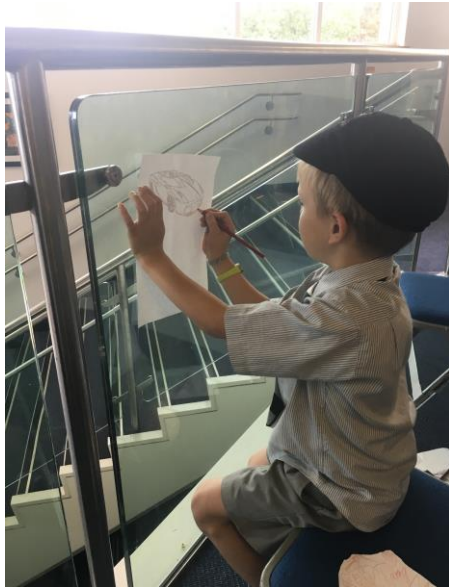

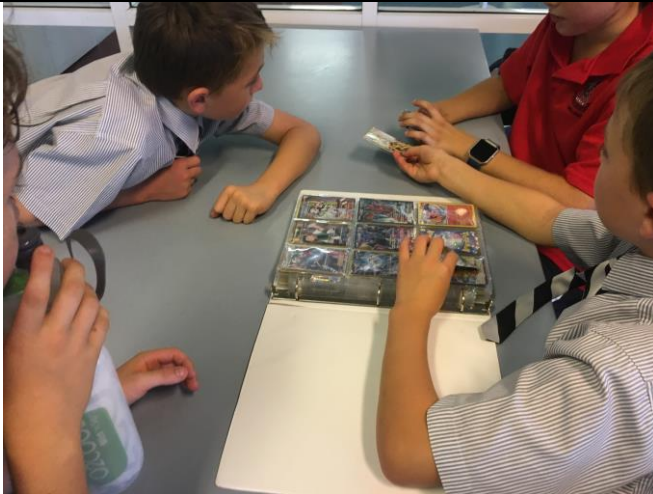

We would like to remind parents that if they would like to request for their boy/s to do homework at OSHClub, please inform a member of staff.

As always, if any of the parents have any suggestions for OSHClub, please let us know!
