### MATCH REPORTS FOR SATURDAY 3<sup>rd</sup> June 2017

#### 11A FOOTBALL TEAM MATCH REPORT

Six rounds down and we have rotated through positions. I have a pretty clear idea where are strengths are now. Some heavy losses to begin the season has turned around into a win and a hard fought loss. But throughout our positional play is picking up, the team is competing harder for the ball and we are marking up much better.

The aim for Term 3 is to pick our strongest team and build combinations. Looking at the draw it looks tough, so we will need to maintain that Newington spirit and compete hard in every game.

**Jamie Martin - Coach**

### **11D FOOTBALL TEAM MATCH REPORT**

The game on Saturday was extraordinary even though we lost. The scores were 5-0 their way. Youssef was in goals in the first half and Marcus was in goals second half. They did an incredible job to save many shots on target. It was hard for our team because our coach, Mr Scott, was referee for the match so couldn't coach us. Our second coach, Miss Brown, was there to cheer us on. The things we did well were keeping in our positions and kicking with purpose, not just kicking and hoping it would go to our teammate. The other team were good at spreading out and keeping in their positions.

**Je-Min McFadden - 5B**
