SPORTS RESULTS FOR SATURDAY 29TH JULY 2017

9WHITE FOOTBALL TEAM MATCH REPORT

We woke to a clear crisp Saturday morning. Finding the entrance to David Philips field 1 was a trek in itself with a bunch of keen Wyvern soccer stars suck on the wrong side of the fence, including their teacher! Once on the correct side of the fence, boys warmed up with energy and positivity. Throughout the match all boys demonstrated unity, team work, spark and determination. Matthew demonstrated his fancy footwork from the start as he darted from one end of the field to the other. Aidan proved himself to be the energy power rocket of his team who kept the team moral up. Charlie was a super star keeper in the second half. The player of the morning had to go to our newest member of Wyvern, Stirling, who scored 2 goals within the first 3 minutes of the first half and shot an astounding 13 goals for Wyvern throughout the match. He conducted himself with focus, poise and excellent Wyvern team spirit. Our win on Saturday was a culmination of all the skills we'd built over the entire season and I'm sure each player continued their weekend with a fire in their bellies and the sweet hum of victory lingering in their hearts. It was an excellent ending to our rounds of competitions with other schools and I look forward to the boys' soccer journey as they progress through the college.

Ms Vuong - Manager

11A AND 11B RUGBY REAM MATCH REPORTS

To all boys the season has been successful in terms of wins/losses. More importantly, we have managed to create a strong squad ethos and spirit, where all boys have had an opportunity to further their rugby skills in a structured and fun environment. We have been delighted to observe the rapid growth and improvement for the majority of players.

Round 9 fixtures depicted some high quality primary school rugby resulting in a win and a loss.

The B's came up against a skilled Barker team who managed to dominate the contact zone and displayed aggressive ball running. Tries were many on the day as reflected by a score line of 40 points to 25. One area for the B's to focus upon is to ensure that they commit to the tackle, rather than being tackle shy. Barker were able to score several tries due to missed tackles and this is the focus area for the upcoming Round 10 fixture.

The A's played their best match of the year and comprehensively won 42 – 0. Our forwards strongly dominated the opposition allowing us to win quality possession from the breakdown. The backs displayed speed, creativity and excellent support play, allowing them to score high quality tries. Furthermore, it was tremendous to see players exploring creative alternatives to penetrate the opposition defensive structures. As coaches we were delighted by what we observed.

Mr MacRae and Mr Jessurun – Coaches

10WHITE FOOTBALL TEAM MATCH REPORT

On a chilly Saturday morning the 10 Whites football team played Scots College at Tempe. Before the game had even commenced we knew it would be a challenging match. We had reduced numbers of players with some of our team away due to illness and injury and our regular coaches were also away. Despite this we remained eager and enthusiastically faced a Scots team complete with reserves.

In one match we were on the defensive from the beginning and our goalies were regularly under attack. We never gave up but in the end we lost 5 – 1. In our other match we were the attackers and the ball was consistently in our possession and we won 3 – 0.

Mrs Malkki - Manager
