COMPLETE OUR CHAPEL

The Newington College Chapel has always been a peaceful place of reflection and inspiration for the Newington community. Over the years as people have gathered for special occasions, to celebrate new life and remember those who have passed on it has become apparent that our Chapel is in need of new seating to complement the beauty of the rest of the space.

In an effort to revitalise the Chapel, Newington would like to install new, hand-crafted Golden Oak timber pews. Already a number of Old Boys have pledged their support in helping us to Complete our Chapel.

To fully refurbish the Chapel and seat 350 people, a total of 70 pews are needed. Each pew will cost \$1950 and donors will also have the option of a naming dedication for their purchased pew.

Thank you for your consideration and support.
