Government Travel Passes

The NSW Government provides subsidised travel to and from school through the School Student Transport Scheme (SSTS). The scheme covers travel for eligible students on government rail, government and private bus and ferry services and country coach/rail services (boarding students).

Information can be obtained from Transport NSW at: <http://www.transport.nsw.gov.au/content/about-school-student-transport-scheme>

Assistance with travel routes can be found at www.131500.com.au

To obtain the application form/s (**you will require a separate form for each type of travel**) please complete the slip below and return to College Reception. The relevant application form/s will then be posted to you for completion.

A period of free travel applies to students in uniform for the first two weeks of the school year to allow for the major distribution of new passes. **To ensure that your son receives his Travel Pass/es before the end of the free travel period, please return the Application Forms to the address below on or before Thursday 6th December 2012.**

PLEASE NOTE

- Boys entering Secondary School must re-apply for their passes.
- For the Balmain to Hunters Hill area, it is advisable that boys apply for a bus pass (from Hunters Hill to Town Hall) as well as a Train Pass (from Town Hall to Stanmore). This gives the boys alternative means of transport for late activities at the school. This Pass is also valid on the Hunters Hill bus.

CONDITIONS

- Subsidised travel is available to Australian Citizens/Permanent Residents only - Overseas students are not eligible.
- Free travel is only available to and from Newington from Monday to Friday inclusive and return journeys must commence before 6.30pm.
- Travel passes are granted only for travel between home and Stanmore and return by the same mode of transport. The most direct route to and from school must be followed.
