# MLC Tennis Hot Shots Tournaments

Events provide young players with a tournament experience in a friendly, social and fun environment. The events run for 2–3 hours using a competition format that involves all participants for the duration of the event.

## MLC Tennis Hot Shots Categories

### **Red stage** **Explore (ages 5–8)**

The Red stage is for beginners. The red ball is larger than a yellow ball and doesn't bounce as high (just 25% compression), making it a breeze for even the youngest players to hit it comfortably. The courts and nets used in the Red stage are much smaller and easier for kids to move around.

### **Orange stage** **Develop (ages 8–10)**

After mastering the Red stage, children move on to the Orange stage where the ball bounces a little higher (50% compression) and the court is a bit bigger.

### **Green stage** **Encourage (ages 9+)**

The ball used in the Green stage has a higher compression (75% of a yellow tennis ball) and children play on a full-size court. Finally, when they are ready, kids graduate to the yellow ball and play on a full-size court.

## Times & Events

**Sunday, 28 October 2012**

Alternate wet weather day 4 November 2012
