How do I enter?

The only way to enter is online. Payment method for online entries is credit or debit card. If you do not have a credit or debit card, Australia Post provides a prepaid card service, please visit your nearest Post Office for details.

Browser compatibility

Fairfax Events and realbuzz registrations do not support Windows XP and the Internet explorer version 8 (IE8) to ensure the highest level of protection and privacy for our entrants. Microsoft itself is ending support for these products from April 2014 and they are advising users to migrate due to potential security and compliance concerns. As such we have taken the decision not to support XP and IE8 systems or Internet browsers using IE compatibility modes (this can include IE9). Please install an alternative Internet browser, such as Chrome or Firefox to continue.

We collect personal data such as your contact, demographic, delivery and billing information for the purposes of administration and/or identification in relation to attending events, entering Fairfax competitions or promotions, and to display personalised content and advertising. For full details please refer to our [Privacy Policy](#).
