Basketball Yr 3/4 White C	vs	Knox	Won	18 – 0	Benjamin Dewhurst
Basketball Yr 3/4 White D	vs	Knox	Lost	0 – 12	Michael Hassen

Year 6A Cricket Match Report v St Ignatius College 16/02/2013

The covers were expertly removed to reveal a mostly dry but sweaty pitch. With moisture already in the air, on the ground and with the prospect of more to fall, the toss would be an important one to win. Unfortunately Riverview won the toss and sent Newington in to bat on a tricky and sticky wicket.

Newington did not find it easy to put together any substantial partnerships. This was made particularly harder by some outstanding catching from the opposing side. Henry Cain, Patrick Fitzgerald, Sami El-Zein and Timothy Pritchard all made double figures to help Newington post a defendable total of 90 runs after 25 overs.

With the pitch drying nicely, Riverview had the fortune of being able to bat with more confidence and aggression. Newington's bowlers were loose at times allowing the Riverview side to head towards an easy victory. However 2 wickets in 2 balls from Patrick Fitzgerald and a total of 5 wickets in 5 overs from Newington made for an entertaining finish to the match.

With a flash storm approaching and possible abandoned match. Newington sportingly declined to take a drinks break and bowled the overs at a quick rate in order to achieve a result. Unfortunately the result didn't go our way but the game was very competitive.

The Newington 6A's are learning that focus during matches is extremely important and one small mistake can mean a lot in the context of a game. The boys are all very good at focussing when it is their time to bowl. They are learning that they need to continue to work hard on focussing when they are supporting another's bowling when in the field. Although cricket is a sport where individual scores, accomplishments and statistics abound, it is very much a **TEAM** sport.

Mr Joel Wilson - Coach
