It was a great day for footy at Gilliespie oval, Wahroonga. The sun was brightly shining, and a win for the 12A rugby boys against Knox was in sight. They ran onto the ground, and you could see the determination in their eyes. The whistle blew, and after just one play, the boys spread the ball wide, setting up a great team try for the speeding winger, Marcel Chew. We then dominated the half in the ruck, with Tom Marchese and Perry May getting the ball out wide on every possible opportunity, which set up two tries for the centres, Finn Walsh and Josh Macdessi, before Lucas Dorrell kicked two great conversions. Going into the second half, the boys were a little tired from their triumphant effort in the first half. A few unlucky opposition tries were scored, but the boys didn't drop their heads. Tom Ball and Lucas Dorrell scrambled for the ball, and weren't giving up.

The forwards powered over the ball, and Marcel Chew and Tom Marchese strode across the try line with some great tries. Overall, the boys played a great game and had a convincing win over Knox.

On Saturday the 12B's made the long journey up the Pacific Highway for a match against traditional powerhouses Knox. The boys were full of confidence having had a gritty win 2 weeks prior and remaining undefeated thus far, in 2013.

The game started at a quick pace with some ferocious defence from both teams and the Knox boys driven by their aggressive forward pack. They went over for 2 quick tries early in the game and we found ourselves chasing. Some strong runs by Nicholas Court were having a big impact in the middle of the field and our sniping half-back Sam Churchin was also causing a few problems. A great individual try by Dean Begetis really lifted the boys prior to half time and gave the boys a big lift.

As the second half commence there was a newfound ferociousness amongst the boys who were all eager to carry the ball up and do the hard work. A mountain of pressure and we crossed for two quick tries. Knox then struck back almost immediately putting them beyond 7 points in front. We didn't give up though and crossed the line on the stroke of full time and kicked the conversion to make the score a very respectable 30-26. Our forward pack monstered Knox at scrum time and we won the second half which was very pleasing. However, most pleasing of all was the fact that the boys didn't give up and really dug deep for each other to make those tackles for each other. Well done boys!

Although we lost, a lot of positives can be drawn from this match. Spectacular tackles were made by Josh Hovilai and Joel Butcher, using the tactic to swing their opponents to the ground. Great try saving tackles were made by Luca Vasiliou, Jack Krilis and Jack Rathborne. Harley Hopwood made a couple of really good runs from tap kicks. Spiro Magliveras made a few tackle-busting runs. In conclusion, this game was probably the best game the 12 Whites have ever played with great tackles, runs and taps.

Points

1: Spiro Magliveras

2: Jack Rathborne

On Saturday, the 10A football team played a tough match against Grammar St Ives. It was a battle of two skilful sides. In the first half, Newington got off to a strong start. Excellent passing between Joe-Reilly Makovec and Stefano Ottavio led to a number of early chances and a couple of powerful left-footed goals from Joe-Reilly. In goal Conor Corcoran made numerous outstanding saves to keep the opposition at bay.

In the second half, Grammar St Ives came back strongly through powerful running and slick passing. More excellent performances in goal by Max Clarke and Kieran Casey helped restrict the score. Newington were beginning to pass the ball better as the half continued and Joel Ludski went close as Newington found it hard to take their chances. Rory Ansell was a commanding presence in defence, winning tackles and closing down the Grammar forwards. Next term we will look to improve our marking of the opposition and our moving into space to receive the ball. Well down to the team on their good attitude and hard work over the term.
