PARKING FOR SPORTS EVENTS AT NEWINGTON COLLEGE STANMORE

For all Saturday morning sport at Newington Senior School, parents are requested to park off site along the street. The schools onsite car park is maintained for officials, emergency vehicles and staff only.

With the winter sport season upon us, the car park area can become very busy early in the morning. Please consider this simple request to ensure the smooth management of Saturday morning sport at Newington.

Match Reports for Saturday 18 May

9 Black Rugby Team Report

The 9 Black Rugby team have opened their season with some great wins. It is hard to get their minds on the job before games as their enthusiasm bubbles over. During the game however the boys have stepped up superbly. I am particular impressed with the positional play and the ruck. Even with a coach to guide them on the field the boys have more or less been in the right position on the field. We now need to work on the selfless cleaning out at the ruck to provide clean ball which will be able to be exploited by the speedier members of the team. It is hard to single out anyone because it has been a great team effort with every boy contributing something for the team. A promising start, but the excitement lies in knowing they can get better. Bring on the rest of 2013!

Mr Jamie Martin - Coach

9 White Rugby Match Report v Scots

The boys are having a great time playing and this week followed the trend. From the whistle, the first score was registered promptly by Newington, as the boys gave quick chase. The focus for the game was on team work, both in defence through cleaning out and offense via passing. Most defensive opportunities came from the restart, where the boys showed enthusiasm and tacking technique. More often than not, the ball was turned over and a try registered to Newington. Offensively, the boys made a number of long runs, and linked some phases of play together. At the end of the match the boys were proud of how they tackled, that they looked for passing, ran fast, and pumped their legs to drive forward. Player of the match was Liam Carriline for his tackling. He showed good technique and committed to the tackle at each restart, resulting in multiple turn overs. The skills focus for the coming weeks will remain on team work. I've been impressed by the boys sportsmanship – exemplified by the actions of a number of our boys helping players from the opposing team to their feet. I am looking forward to another fun game next weekend.

Mr Stephen Finley – Coach

11A Football Match Report v St Ignatius

The 11A soccer team had a very exciting game on Saturday against St Ignatius. The boys did a fantastic job of thinking strategically about how they were placed on the field. Their coach Pedro encouraged them to use the full width of the field so that the wings could take the ball down into space. The boys did a great job of holding these positions and thinking strategically about trapping the ball and then dribbling, passing and shooting. Luca Larocca did an excellent job scoring a goal from a penalty kick. Will Braithwaite-Young scored a wonderful goal in the last minute of the game resulting in a 3 – 2 win. The defenders did a great job supporting Max Manak as goalie. Overall it was an exciting game and the first win of the season. Congratulations boys.

Mrs Emma Clemens – Coach

11C Football Match Report v St Ignatius (Riverview)

Again the 11Cs continue their winning streak, this time against Riverview at Tempe last weekend. The boys were eager to work on ' marking a player ' game tactics, and it was good to see them marking players when the ball was a goal kick. It was a tough match with plenty of chances for goals from both sides. In the end a satisfying 2-1 win. It is good to see all the boys on time and ready to warm up.

Mrs Meredith Buining - Coach
