PARKING FOR SPORTS EVENTS AT NEWINGTON COLLEGE STANMORE

For all Saturday morning sport at Newington Senior School, parents are requested to park off site along the street. The schools onsite car park is maintained for officials, emergency vehicles and staff only.

With the winter sport season upon us, the car park area can become very busy early in the morning. Please consider this simple request to ensure the smooth management of Saturday morning sport at Newington.

9 White Rugby Match Report 20.7.13

Last Saturday we played Mosman Prep at Rawson Oval. This was the closest match we've had all season so it was great to see the boy's application and skill tested. Prior to half-time we managed to run in three tries. Ali Saab scored after a determined run in which he fended off a couple of defenders. James McGregor then scored twice with elusive running. Despite good attacking play from Mosman our defence held firm. James McGregor, Liam Carriline and Lucas Bardsley all made try saving tackles. Mosman attacked relentlessly in the second half and the boys can be exceedingly proud of their defensive effort. It was a great team performance. Mosman managed to score a try part way through the half, however the Newington team prevailed 15-5 and a great tussle. Well done Whites. Thanks to Hugh Harvey who played his first game with the team.

9 Black Rugby Team Match Report 20.7.13

The 9 Black Rugby team travelled to the north side of the harbour on a crisp morning to take on Mosman Prep after a mid-season break. After watching the 9 Whites play came the difficult task of getting the boys to focus and switched on to playing rugby. A few drills, a pep talk and the whistle of the referee signalled it was time.

It was a brilliant start to the match. Curtis Palmer was dominating the ruck, Billy Robertson was finding space to run and Edson Whattam was reading the play well, shutting down dangerous Mosman plays. Joseph Kaleel was getting involved in the ruck and Michael Stephen showed his great versatility by switching from Hooker to the backs effortlessly. He has great ball skills. A few substitutions before halftime seemed to unsettle the team and Mosman hit back with a few tries. So after a promising start we were back to square one. Focus on the positives, get them working for one another, and the rest will fall into place. The second half was much better, with plays lasting several phases, as boys started cleaning out for us to keep possession. Cullen Visscher was spectacular. He continues to be very difficult to tackle. So strong! Mitchell Cope playing from the Development Squad had a few runs, which was great to see. Jake Goodhand and Alexander Ayoub tackled strongly. They are so consistent. Tom Fraser and Jeremy Arfanis were at their cheeky best stealing possession. It really helped us out. I put Yassin Safieh and Dylan Clark into the second row for the first time in the second half which was funny at the first scrum. Yassin said he liked being able to follow the ball everywhere. He is lightning on his feet. The play was from one end of the field to the other with Mosman defending well to hold several attacking raids out. In the end we drew 25all. There was some great team play at times. I love it when they throw the ball around, but also when they get down and dirty to clean out for someone else to pick the ball up. Fantastic!

When they focus and work to hold onto the ball the 9 Blacks look great. But they do give the other teams a lot of ball and this makes it difficult for them as they end up doing a lot of tackling. We will continue to work on the ruck at training and I'm sure after the first game back they will be better for it. Looking forward to the next game!

11A Football Team Match Report 20.7.13

On Saturday 20th July the Wyvern 11A Football Team played against Kings and won 1 – 0.

The Wyvern boys played well, keeping possession and passing the ball as a team. The boys on the wing created space, setting up their team mates with many opportunities to score. The mid-fielders did well to support the forwards in attack as well as drop back in defence. The winning goal was scored by Marc Mardini and we hope there will be many more goals to come before the end of the season.

11B Football Team Match Report 20.7.13

The 11B football team had a wonderful game last Saturday against Kings School. It was an exciting game because it was the first win of the season and the boys played so well as a team. Nicholas Agiotis scored some great goals by breaking through the defence line and driving through to score. Max Manak did a superb job as goal keeper reading the play well and not letting any balls through. Josh Kooner had great control of the ball, dribbling down the field and then passing through the defence to another team member. Ben Nguyen was an excellent defender, blocking the ball and then clearing it out to another team member. Oscar Britt also did a great job of clearing the ball and sending it down the field into clear space. The boys came away with a 3-0 win, congratulations 11Bs on great team work and a wonderful game.
