### 12B Football Match Report for 3.8.13

Last week the 12B's were too timid in front of goal and too polite to the opposing goalkeeper, this meant we deserved our goalless draw despite dominating the play! As a result they were sent out this week with a clear mission: SHOOOOOOOOT!

Congratulations to the boys as such detailed instructions obviously worked and we won in a thrilling game, scoring 6 and conceding 4. This included a marvellous hat-trick from our dazzling number 11 Christopher Iannuzzi. We played a St Ignatius team littered with A players due to injury problems but this didn't intimidate us, instead it inspired us to work harder and use the skills we have been developing in training sessions.

Helped by our selfless yet silky-skilled centre forward Alessio Cordaro, some of our passing was sublime and we had the shooting skills to match; we were decisive and quick-minded but most of all we were willing to work hard for each other. This was epitomised by our central midfield titan Simon Jeon. He may not have scored a goal but when it got touch in the second half, when they pulled two goals back to almost level; Simon raised his game and dug in, showing great character. We still have a lot to work on, improving both our defence and our consistency, but we seem to be on the right track.

Strong characters combined with a blossoming array of skills mean this team should continue to reap the rewards they deserve.

### **11A Rugby Match Report for 3.8.13**

On a beautiful Saturday morning in the heart of Paddington, Newington arrived with a score to settle with their old foes Edgecliff Grammar. On the previous encounter, Grammar had come out the convincing victors, but with a great deal of hard work and dedication shown throughout the Monday and Wednesday training sessions and some impressive victories under their belts, Newington no longer considered themselves the underdogs.

Newington started strongly, scoring under the posts with an impressive breakaway try. Grammar quickly replied, showcasing their impressive backline pace and the first half was a game of tit for tat tries. Newington demonstrated their ferocious tackling and physicality throughout the second half, but it was not enough to contain the Grammar charge. It was a hard fought battle that highlighted just how far the boys have come throughout the season. In the end, we could not match the pace of the Grammar back line and they came out as winners on the day.

Despite some high tackles and a 'sin-bin' infraction, the game was played in good spirits and the Grammar coach commended the boys on their physicality and bravery.

### **11B Rugby Match Report for 3.8.13**

On Saturday the 11B's had improved effort against the Mosman at Weigall. Wyvern controlled large parts of the game and possession to record some excellent play and three hard earned tries. Unfortunately Grammar were too good on the day with some length of the field tries to seal the win. A special mention goes to all the boys who played really hard for their teammates. We are looking forward to a giving Mosman a hard match in our last game of the season at Old Boys.
