12A Rugby Match Report for 10.8.13

The final round of 2013 winter sport saw Wyvern 12A's meet Tudor House on a muddy, yet unseasonably warm Old Boys oval. After a convincing win the week before, confidence and self-belief were high amongst the team. Marcel Chew continued his try scoring spree with the first try of the match after outstanding backline movement involving Perry May, Finn Walsh, Josh Macdessi, Keiran Corcoran and Tom Larkings. Lucas Dorrell converted with precision to gain an early 7-0 lead for Wyvern. Further tries to busy halfback, Tom Marchese, dynamic backrower Daniel Maini and uncompromising Tom Ball gave Wyvern a solid halftime lead. To their credit Tudor displayed great resilience and determination to stay in the match with 2 tries of

their own in the 2nd half. Wyvern also added to their score, with tries to Marcel Chew and a try to Ben Gill after some great tight forward play from Hugo Emery, Oscar Linden-Smith and Dean Begetis. The final score was 34-12 in favour of Wyvern. Thank you and very well played to Mitchell Gigg, Patrick Fitzgerald, James Douglas, Jack Rathborne and Nicholas Court.

It was great to see the 12A's showcase their talents at home, for the last game of the season. As a coach, it is extremely pleasing to see skills practised and plays rehearsed at training, flowing through to a game. But even more pleasing is to see these boys play with the sportsmanship and pride that will benefit them for years to come.

12 Black Rugby Match Report for 10.8.13

With the final game of the season upon us the 12 Black rugby team were keen to end on a winning note. With our successful first half of the season resulting in us moving up a division and playing "A" teams from other schools the competition was always going to be tough. The game started at a frantic pace with Trinity going over early. It really knocked the wind out of our sails and the boys struggled to match the physicality of the contest. Half time came and some stirring words from Mr Burke and we were off again. We crossed for a well-deserved try which was set up beautifully by Sam Churchin along with some excellent catching and passing from Daniel Thiele and Oliver Smith but it was too little too late with Trinity bouncing back with a few late try's. A successful season ending on a bit of a sour note!

12 White Rugby Match Report for 10.8.13

The 12 White rugby team played a tremendous last game of the season at Old Boys 2 oval against Trinity. It was their second win of the season and they played a beautiful passing and running game. The score was 40 to 5.

Man of the match was Jack Krilis scoring two tries and almost a third with a selfless act to make it easier for the conversion taker by trying to run behind the goal but accidentally going dead. Two points went to the Captain of the match Jack Rathborne for his outstanding leadership and impact with the ball. One point went to the co-captain Spiro for his outstanding runs and never giving up.

The White's played as a real team today. It was a great end to the season.

9 Whites Rugby Match Report for 10.8.13

We travelled to Kings for our last game of the season. They had several players out through sickness. Despite this they scored the first try of the game. We responded with a cracking try from Liam Carriline after a penalty was given to us. As the game wore on we started playing more as a team and this produced tries to Nick, Jonathon, Lucas, Ollie and Oscar.

Our team play continued to improve in the second half with our defensive effort being very pleasing as we repelled the Kings boys attacked. Further tries came through Sam, Will, James and Sebastian. Several boys were able to score their first tries of the season which gave them great pleasure.

Thanks again to our very supportive parents who have encouraged the team greatly this year.

10B Football Match Report for 10.8.13

The 10Bs have been in immaculate form of late, having won their last three matches on the trot. This match, though, would prove more of a handful for the spirited 10-year-olds of Newington taking on Knox.

Some slick and controlled passing from Newington through the heavily congested midfield saw the 10Bs go in front early, with the help of some clinical finishing from the likes of Ben Dewhurst and Artie Torrible.

Not to be played out of the game, Knox fought back and found themselves on level terms after some long balls over the top were calmly slotted away. Patience and sustained pressure after the half-time break ultimately paid off for the boys from Newington – adventurous runs down the wing from Max Jablonski and Vincent de Souza were sublimely linked with goal-scoring machines Fallon Fotaras and William Ioannou who made no mistake in front of goal. This solid performance from the 10Bs on the weekend was a terrific way to cap off the season.

The boys have developed well as a team and have been a delight to work with, and I've no doubt they will carry on their winning ways next season. Well done, lads!

10C Football Match Report for 10.8.13

A great season has come to an end as the 10C's faced their arch rival, Newington Lindfield in East Killara on Saturday 10 August. We had a great game but we lost 3-0 against Lindfield. Our strategy of going wide worked well, but we just couldn't get our shots on target.

"We worked well as a team but unfortunately our opponents were too good on the day," Mrs Bryden, our coach said.

"If we got our shots on target, we would've won the game." I said straight after game day. Owen was a spectacular goal keeper, he had the most saves in the team. I was amazed by his performance today. I was also amazed with the perseverance of Adrian, Charles and Matt as they NEVER STOPPED TRYING. Well done C's. Great work!
