Basketball Yr 3/4 White C	vs	Knox	Won	16 - 8	L. Bertrams
Basketball Yr 3/4 White D	vs	Knox	Won	20 - 8	C. Visscher

### **Cricket Yr 5B Super 8 Team Match Report - 12.10.13**

This week the 5B cricket boys played The Kings School. Kings won the toss and chose to bat. Rory O'Conner opened the game by bowling a maiden over. The innings continued to go well, with Kings losing three wickets as a result of some swift fielding from our boys. Henry Goodfellow was particularly keen as our wicket keeper – with his eye on the ball at all times.

In the second innings set Wyvern the target of 62 to win. Henry & Broderick Simpkin opened with an exciting 36 run partnership. Alex Radin scored our first 6, flicking the ball nicely over the boundary. Oliver Smart demonstrated some good blocking skills when facing the bowler, supported with great running from Seb Guy and Isaac Selwood. Rory worked hard with the bat, scoring an impressive five 4's and a 6!

A special thanks to Luke Maxwell, who stood in at short notice and worked hard both in the field and with the bat. Wyvern won the match, scoring a mighty 98 runs.

**Mrs Cate Fryda – 5B Coach**

### **Basketball Yr 5/6 C & D Basketball Teams Match Report - 12.10.13**

Our first game for the term was a fantastic friendly internal match between the 5/6 C and 5/6 D teams. This was a great opportunity for the boys to play a game of basketball with their friends and a nice way to ease back into it again. All the boys played with such enthusiasm and effort, bringing a real positive attitude to the court. The C's displayed excellent lay-ups and defence, and we saw some wonderful passes from the D's. The boys are to be commended for their great sportsmanship, showing great encouragement and support to their team mates and friends. It was a great win for the C's 42-10 and a brilliant effort and team work from the D's. The boys are eagerly looking forward to our next game against Mosman Prep.

**Ms Maria Passaris – Manager**

### **Cricket Yr 5A Traditional Team Match Report – 12.10.13**

It was a beautiful Saturday morning north of Parramatta and the perfect day to return to Australia's and Year 5's favourite summer sport: cricket.

Zach McGeechan set the tone in the opening over with a marvellous six balls and the fielders supported the bowlers with some brave and skilful catching. However, lapses in concentration during the second half of their innings ensured Kings ended up with 20 more runs than they really deserved. Having been set the target of 100, we were hopeful of chasing down the score due to a helpful grass wicket and fast outfield. Max Langford was run out without facing a ball in the first over – this was not the start the team wanted. Ben and Curtis Palmer showed tremendous character and defended their wicket for the next 12 overs before both were retired undefeated. With the help of some positive batting by Zach McGeechan and Alex Rumi, we ended up 40 runs short of the target.

I explained to the boys that we played well and it was a pleasing start to the season, but there is a difference between playing well and trying to win a game! We didn't score enough runs off their bad balls; we need to both defend and attack the ball positively.

This season we need to raise our expectations and take a few calculated risks. If we do so, we will begin to win these close games.

**Mr Sean Casham – Coach**

### **Basketball Yr5/6 A & B Teams' Match Report – 12.10.13**

The Year 5/6 A's and B's travelled out to Brookvale to face off with Su Augustine's on Saturday. The B's started slowly, and struggled with getting scores in the first half. Some great defence and running by the boys at the start of the second half started to get the scoreboard ticking over, but the Saints were too strong overall, running out winners 27-11.

The A's started their game at a cracking pace, running out to a big early lead off some strong defence and great running game. The boys shared the ball well and nearly scored 30 first half points. The saints made a small comeback in the second half but the A's run out winners, 47-27.

**Mr Justin Brayley - Coach**

### **Tennis A Team Match Report – 12.10.13**

The first round of summer sport for Term 4 began early on a balmy Saturday morning, with the talented Tennis A team from Wyvern playing against a very competitive Knox side. Despite the fact that most of the boys had not played competition tennis since the beginning of the year, they all came with a determined attitude and a contagious energy which proved to be absolutely vital as they faced their challenging opponents.

Most of the matches showed very close scores with some wins and some losses for both sides with some amazing shots, both forehands and backhands. The serves were an obvious improvement as the ball speed left spectators amazed and opponents intimidated.

Concentration was essential during the matches and despite the fact that the day was slowly warming up, the boys showed a remarkable effort and endurance.

Regardless of their results, the boys from both schools showed great sportsmanship after their matches and an eagerness to play again next week.

**Mark Elwaw – 6M**
