Basketball Yr 3/4 White D	vs	Newington Lindfield	Lost	14 - 22	D. Upcroft

### **Cricket Year 6A Team Match Report – 9.11.13**

For the 2nd week in a row Wyvern 12A cricket team played against Waverley. The team was out for redemption after a loss 7 days prior. Wyvern won the toss and elected to bat with Marc Mardini and Ethan Kelly opening. Kelly was dismissed early bringing the 12A's captain, Ben Leung to the crease. With his usual classy stroke-play, Leung piled on a quickfire 39 before a mix-up between the wickets tragically ended his innings, with a half century seeming a formality. It was now left to Mardini as the established batsman, to steer the Wyvern innings through the remaining overs. He was eventually caught trying to increase the scoring rate for a well-made 24. The Wyvern innings ending 6 wickets down for 108, a relatively modest total compared to recent efforts.

Despite a relatively low total, the Wyvern team were confident of defending the runs with accurate bowling and intensity in the field. Ethan Kelly took the new ball and broke through knocking middle stump out of the ground in his first over. Lucas Dorrell opened the attack from the other end with probably the spell of the year. Dorrell bowled 3 extremely tight overs including 2 maidens, conceding 2 runs. This set the standard for Wyverns bowlers with every member accurate and relentless. This coupled with tenacious and aggressive fielding was eventually too much for the Waverley batsmen to contend with. The Waverley team were dismissed for 90 runs with wicket takers Ethan Kelly, Ben Leung, Henry Cain, Ben Higgins, Marc Mardini, Sam Churchin. Tom Marchese is singled out as the prime destroyer taking 3 wickets from his 2 overs, with an enterprising array of swinging deliveries.

**Joel Wilson – Coach**

### **Cricket Year 6C Team Match Report – 9.11.13**

Newington agreed to bowl first and we started with a number of very accurate and low scoring overs. The St Patricks batsmen were very keen to run quick singles and so we had to be very aware and "on our toes". We bowled very well, but the opposition continued to score from each over, eventually reaching a score of 95 having lost 3 wickets.

When we batted, our openers Finn and Charlie scored freely and eventually had to retire so that others could have a turn. From then on we regularly lost wickets, which slowed our scoring rate. Then Dominic came to the wicket and quickly scored 2 sixes and 2 fours, which gave us some chance of matching their score. A couple more lost wickets and some very accurate bowling from the opposition again slowed our scoring, so that we eventually ran out of overs and lost by 28 runs.

Although we lost, the boys played the best match of their season and the opposition coach declared them the best opposition and displaying the best sportsmanship that they have seen all season.

And excellent match, played in a wonderful manner, with the Man of the Match Dominic Young. Let's hope the last game of the season is of the same high standard.

**Stuart Brown - Coach**

### **Basketball 3/4 White C and D Team Match Report – 9.11.13**

The sun shone on the Wyvern home ground as we prepared for a Newington derby against Lindfield. Who would come out victors? We quickly learnt that it would be the team who were more disciplined in defence, as both teams were agile and could counterattack well. Both C & D games had evenly matched beginnings as we tussled for points and possession throughout the early stages. But late in the first half, Lindfield began to gain momentum. At half time, our heads were high with positivity and perseverance as they always are. We played more structured and disciplined basketball but it was not enough to gain back the deficit of points scored against us. All the boys showed determination and camaraderie until the final whistle despite the hot conditions. We look forward to finishing off the season strong in our last matches next week.

**Hugh Scott - Coach**

### **Basketball 3/4 A & B Team March Report – 9.11.13**

An early start to the game on Saturday against St Aloysius for the B Team did not stop them from persevering and giving the game their best shot. The game started off with the B Team demonstrating their focus and endurance. After half time, we focussed our energy on strengthening our defensive side. St Aloysius succeeded in powering through to win the game in the end. The A Team sure showed the opposition team their strength and skill finishing the first half with a close call. However, the second half was a

challenge to sustain our endurance with the game ending in a loss against St. Aloysius. The boys still showed their true team spirit and are more determined to finish the season off strongly.

**Michelle Brixen - Manager**

### **Teeball Team Match Report – 9.11.13**

The boys' teeball team had a fantastic game on Saturday against Trinity Summer Hill. They won the game 30-18. The boys thought carefully about each play and worked superbly as a team. Some of the fielding highlights were a great double play by Cameron Rennie, a wonderful fly ball catch by Antony Litsas and some great tagging at home base by George Evans. In the out field and Lucas Latimer, Joseph Kaleel, John Gardener, Marley Smart, Gus Morsley and Hamish Holton played extremely well as a team, stopping the ball and then relaying it back in to the bases. Alexander Watson, Max Jablonski, Dominic Goonan and Antony Litsas did incredibly well, fielding the ball and throwing it quickly to the bases. The boys' batting was extremely strong, scoring a number of home runs. These home runs were scored by tactical batting but equally strong running, stealing bases on overthrows and arcing their run to go through the bases. In particular Cameron Rennie, Dominic Goonan, Antony Litsas and Alexander Watson are to be commended on their batting. Well done boys on a fantastic game and a wonderful season. Every player has improved so much since the beginning of the year and the boys now work very well as a team in every game.

**Emma Clemens - Manager**
