Wyvern House Sports Handbook 2014

Introduction

Dear Parents

This booklet is to assist you with understanding the day-to-day organisation of sport at Wyvern Preparatory School. It will help you become familiar with the School's requirements and make your sporting experiences at Wyvern more enjoyable.

The rewards of participating in sport can be great. Sport provides an opportunity for our boys to develop physically, socially and emotionally. Sport also helps to develop a strong spirit of cooperation and community within our School.

We all have our part to play in ensuring the sporting experiences we offer our boys, achieve these goals. Your cooperation is vital. Supportive parental and coaching influences can be critical in determining whether a child develops a life-long love for sport.

With this in mind, I wish you all the very best for the up-coming season. I, for one, am certainly looking forward to it with great anticipation.

Kind regards

Neil Brunton
Wyvern Sportsmaster

Wyvern House Sport

At Wyvern Preparatory School we believe that participation in sport provides an opportunity for the individual to develop physically, socially and emotionally.

In addition to developing body awareness and assisting in the acquisition of motor skills, we believe that sport provides a medium through which individuals may develop a positive self-esteem and greater self-confidence. Enjoyable and rewarding experiences in physical activity at a young age help develop lasting self-esteem and form the basis for life-long participation in sport.

Through sport a spirit of cooperation between and among groups of individuals may be developed.

We believe that it is the responsibility of staff, parents and coaches to provide an environment that promotes this ethos.

We expect that parents, coaches and students all adhere to the IPSHA Sport 'Code of Conduct'.

Aims of Sport at the Preparatory School

Through our sport program we aim to:

- Improve the quality of skills and knowledge of boys in the sporting area.
- Encourage positive participation in a variety of sports.
- Develop a supportive attitude towards teamwork.
- Promote the benefits and enjoyment of physical fitness.
- Encourage the principles of good sportsmanship.
- Develop an environment which encourages personal striving for excellence
- Provide all children with the opportunity to participate in sporting activities, which are suitable to their needs.

STUDENT INVOLVEMENT:

All boys in Years 3-6 will participate in sport at a level which reflects their current capacity

Our sport program will include:

- Two school sport sessions (currently Monday and Wednesday afternoons) - incorporating skills development and team based training activities.
- Opportunities for students to attend additional skills development programs through the employment of external coaching agencies before or after school.
- Suitable competitive activities on Saturday morning or Friday afternoon.
- Occasional mid-week games

Wyvern House Sports Program

WYVERN HOUSE SPORTS PROGRAM CONSISTS OF:

- Inter and Intra-School Summer and Winter Sports Program
- Aquatics Program
- Swimming, Athletics and Cross Country Sports Carnivals
- Inter-House Sporting Events

Each of the components of the Sports Program is discussed in this Manual.

A copy of this Sports Handbook can be found on the School's web site at:

<http://www.newington.nsw.edu.au/publications/>

Whilst Wyvern House offers a broad a range of sporting experiences, we are willing to consider additional sporting options. However, the many implications on the School must be carefully considered before teams can be entered into alternative sporting competitions.

Boys may be involved in sporting clubs outside of the School provided these commitments do not clash with their school sport. Boys must ensure that their school sport commitment is given priority.

The Wyvern Sportsmaster is pleased to discuss any suggestions and answer any queries about the School's Sporting Program.

Code of Conduct

PLAYERS' CODE OF BEHAVIOUR

- Play by the rules.
- Never argue with an official.
- Control your temper. Verbal abuse of officials or other players, deliberately distracting or provoking an opponent is not permitted in any sport.
- Work equally hard for yourself and/or for your team. Your team will benefit, so will you.
- Be a good sport. Applaud all good plays, whether they be by your team, opponent or the other team.
- Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Cooperate with your coach, team mates and opponents. Without them there would be no competition.
- Place in proper perspective the isolated incidents of unsporting behaviour rather than make such incidents the 'highlight' of the event.
- If a player is sent off during the game, a one-week's suspension is recommended.

SPECTATORS' CODE OF BEHAVIOUR

- Children play organised sports for fun. They are not playing for the entertainment of spectators only, nor are they miniature professionals.
- Applaud good performances and efforts from each team. Congratulate all participants upon their performance regardless of the game's outcome.
- Respect the officials' decision.
- Never ridicule or scold a child for making a mistake during a competition.
- Positive comments are motivational.
- Condemn the use of violence in any form, be it by spectators, coaches, officials or players.
- Show respect for your team's opponents. Without them there would be no game.
- Encourage players to follow the rules and the officials' decisions.
- Demonstrate appropriate social behaviour by not using foul language, harassing players, coaches or officials.
- Comments should not interfere with the running of the game.

PRAISE

- Praise is encouraged at all levels.

COMPLAINTS

- Complaints concerning the conduct of games should not be made during or after the game. They should be referred to the Head of the School and any action should be left to his/her discretion.
- UNDER NO CIRCUMSTANCES should parents contact schools directly.
- All grounds must be kept clean – litter must be placed in the bins provided.

Inter-School Sports – Team Selection

SPORTS TEAMS

The selection process for Inter-School Sports commences with a survey that is sent out to all parents to give them the opportunity to indicate the sport that they would like their son to play. Based on these responses, Wyvern enters teams in the IPSHA competition. Boys in Year 6 who turn 11 have the option of trying out for selection for teams in the senior 12 year age group if they wish.

An Inter-School fixture list is formulated at the beginning of each season and teams are selected based on:

- The students at Wyvern House available for selection in each sport and age group.
- The availability of a sufficient number of opposition teams in the sport and age group.

On occasions, there are too many boys trying out for a sport for only one team to be formed, but not enough boys to allow two teams to be formed (eg 20 boys choosing to play cricket). In these circumstances, not all children can be selected in their preferred sport and boys are offered the opportunity to try out for another sport.

TEAM ALLOCATION AND SELECTION

It is necessary for trials to be conducted to choose Inter-School grade teams. The Inter-Schools' team allocations procedures consist of:

- A series of skill assessments
- Mini games
- Modified match situations to test the boys' match play skills.

TIMES OF TEAM TRIALS

Summer Sport Allocations	Commences on the first Wednesday & Saturday of Term 1
Winter Sport Allocations	Commences at the end of Term 1

During trials all boys are given an equal and fair opportunity to prove themselves. If after the first trial, it is apparent that a student is not going to achieve selection in their chosen sport, this, as well as the areas that they need to improve, will be explained to them. The boys will be encouraged to keep working to develop their skills, fitness and teamwork, as movement between teams will occur where improvement warrants it. Boys who have not been successful in achieving selection in the sport of their first preference, are given an opportunity to try out for an alternative sport offered within the School.

Inter-School Sports – Team & Captain Selection

Trials can be a source of stress for some players, especially if they feel they have to 'live up to expectations'. Players' levels of performance change as they change in age, maturity, sporting experience, knowledge and fitness. As with other areas of development, sporting skills develop in different players at different rates. Parents and selectors need to be mindful of this and need to reassure players that doing their best and being a participant are the most important aspects of sport. Coaches and sport coordinators are happy to discuss boys' needs to enhance their progress and enjoyment. At the conclusion of the trials, coaches announce their squad and captains. Selections reflect a judgement of the current best players for specific positions. The team selections remain the prerogative of the School.

TEAM DETAILS

After teams have been selected, coaches prepare a list of the team's names and contact details for distribution within the team. These contact details are necessary to allow boys to contact their coach or team representative if they fall ill on the morning of the match. Any parents requesting privacy will not have their contact details listed on the sheet.

HOW TEAMS ARE PLACED IN DIFFERENT DIVISIONS

Teams are placed into divisions based on the number of teams the School enters in a given age group. For example, if Wyvern House enters two teams in a sport in an age group, the teams will be entered into a division that includes other schools that have also entered two teams in that age group. This tends to match similar sized schools against one another and usually results in teams being reasonably well matched.

SELECTION OF CAPTAINS

For all Senior A teams, a captain will be chosen by the coach. Coaches have the flexibility of choosing a permanent captain for the season or sharing the responsibility among the team members on a week-to-week basis. The captains are chosen based on the coach's personal judgement using the following criteria:

- Is highly responsible
- Displays outstanding leadership skills
- Displays good sportsmanship
- Has a sound knowledge of the game
- Has an excellent attitude at both training and match days
- Is always considerate of his team mates.

The coach will often consult other staff members before making a final decision. The captain is not necessarily the team's most skilful player although demonstrating a high level of proficiency in the sport will be an asset. The coach reserves the right to withdraw the captaincy from a player at any stage of the season if their behaviour or attitude is not acceptable.

Inter-School Sports – Match Information

TEAM MANAGERS

On occasion staff may fill the role of team manager while an external coach fills the coaching role. Team managers' responsibilities are to:

- Formulate a contact list for players in the team
- Act as a contact person
- Coordinate end of season 'thankyou's', celebrations or functions
- Assist the coach in any administration capacity that will make coaching the team easier

MATCH INFORMATION

Season Fixture Sheet

A fixture sheet is available on Newington SPACES at the start of the season. This live document is found on the Wyvern Sport page. It is updated in real time as details or changes are informed. Fixtures are confirmed every week. Parents need to check the weekly sports draw each week to obtain up-to-date information about the weekly fixtures.

Weekly Sports Draw

Each week during the season a sports draw is published. This is emailed out to you on a weekly basis and is also available on the Newington SPACES Wyvern Sports page. The team sheet includes:

- A list of team names
- Venues
- Times of matches

The information in The Wyvern Sports Draw should be checked each Thursday to allow sufficient time to sort out any queries or problems prior to the Saturday morning match.

UNIFORM

Players who represent Wyvern House in sport are ambassadors for the College and are expected to adhere to all sport uniform requirements. These requirements are listed in this manual. The way students present themselves says a great deal about the respect they have for themselves, their team and the School. Boys will not be permitted to play unless they meet the uniform requirements.

WEEKLY TRAVEL ARRANGEMENTS

Parents need to arrange transport for their boys to and from sports' venues.

Inter-School Sports – Wet Weather

Sport Information Number: 9432 6460
Do not assume sport is cancelled.

The sport information number is used to leave recorded messages providing updated information about sport. This might include sport cancellations, changes to fixtures or wet weather arrangements.

If weather is doubtful on Saturday, all players and coaches are required to call the sport information number after 7.00am on the morning of the game. The School tries to have a message available by 6.45am for long distance travellers – the recorded message is updated throughout the morning.

On occasions, decisions on the suitability of grounds cannot be made prior to 7.00am. In these circumstances, you must presume your match is on. Winter sport is hardly ever cancelled. Sometimes conditions can become unsuitable for playing after arriving at the venue and when this occurs, consultation with the opposition coach is required to determine whether the game will proceed.

PUNCTUALITY

All students are required to arrive at the venue 30 minutes prior to the commencement of the game. If boys arrive late, it puts them at risk of injury and they will not be permitted to play until they have satisfactorily warmed up.

Staff are responsible and have a duty of care for their students and supervise the boys until they are picked up. All parents are requested to be punctual in picking their children up from sport.

SUN SCREEN AND DRINKS

All boys are required to wear hats if they are outside. Sun screen is provided. Parents are requested to assist in encouraging their children to wear sun screen. It is also recommended that the boys bring drinks to all sporting events. It is important that they remain well hydrated whilst playing.

SCHOOL SPORT ATTENDANCE ON SATURDAY MORNINGS

It is Newington College's policy that Saturday morning sport is compulsory for all students in Years 3 – 6. Requests for special exemptions from school Saturday morning sport must be submitted in writing to the Head of the Preparatory school as early as possible so that consideration can be given to each request with sufficient time to respond and make alternative arrangements if required.

Inter-School Sports – Absences

Guidelines Where Requests for Exemption from Saturday Sport will be given consideration

Each request for a special exemption from Saturday sport will be considered on its merits. The following guidelines will be used for consideration when determining whether or not 'Leave from Sport' will be granted.

- Medical reasons.
- Religious reasons.
- Illness or injury.
- Personal or family hardship.

Where a student has displayed exceptional ability and been selected in a representative team or competition equivalent to representative level and where it clashes with Saturday morning school sport.

Where a student has demonstrated an exceptional talent (representing at district level or better) in a sporting field not offered by Wyvern and where it clashes with Saturday morning school sport.

Denotes: In all circumstances where a request is made for an exemption from school sport to play with an external organisation, every effort must have been made to try and make the student available to contribute to the Wyvern Preparatory School Saturday morning sport program e.g. In some cases this might mean a co-operative arrangement between attendance at school sport and attendance at the external sport.

ABSENCES

Absence from sport is treated in the same manner as absence from any other mandatory school activity. Reasons for inability to attend any session for whatever reason should be advised to the team coach and the Sports Convenor in writing as soon as possible after the absence occurs.

Illness on Saturday: The team contact should be advised on the morning of the game if a student is to be absent so that team coach may make team adjustments. Notice is to be provided in writing as soon as possible after the absence.

Absence of several weeks due to illness or injury: Where illness or injury will necessitate several weeks' absence, a medical certificate should be obtained and submitted to the Sports Convenor. In this way recovery may be supported by coaching staff and suitable team changes initiated.

Requests for special leave from sport: All requests for special leave must be submitted in writing to the Head of the Preparatory School as early as possible so that team arrangements may be adjusted.

Inter-School Sports – Absences

CODE OF CONDUCT

All staff, students and parents have a code of conduct to uphold during sporting events where they are representing Newington College. The code is printed on page 6 of this manual and published annually in *The Wyvern*.

COMPLAINTS

Complaints concerning the conduct of games should not be made during or after the game. Any complaints should be referred to the Head of Wyvern and any action should be left to his/her discretion.

Match Day Responsibilities

Basketball	A referee is booked to referee home matches. Parents are asked to assist with scoring.
Cricket	Coaches are required to umpire the games, although willing parents are welcome to assist. The coach or a willing parent may do the scoring.
Rugby	Referees are coordinated and supplied by the Newington Director in Charge of Rugby.
Football (Soccer)	Referees are coordinated and supplied by the Newington Director in Charge of Football.
Teeball / Softball	Coaches are required to umpire the games, although willing parents are welcome to assist. The coach or a willing parent may do the scoring.
Tennis	Host players are appointed to referee matches; if required opposition players may be appointed after this. Any disputes are to be resolved rationally by the host school coach and may involve the opposition coach if necessary.

NB Accredited referees are used to referee basketball, rugby and football matches. On occasions these referees are developing their skills. Refereeing is a very challenging task for the most experienced of referees. Your understanding and support for the referees is appreciated.

Inter-School Sports – Match Reports

MATCH REPORTS

Each week during the season, teams are chosen on a rotational basis to submit a match report. Selected students (usually team captains) are required to submit the match report to the Wyvern Sportsmaster for publication in the Wyvern Sport News. The reports will be published weekly along with each team's results.

Match Reports are to be sent:

To: Your son's team coach (preferably by email) or the Wyvern Sportsmaster at:
n.brunton@newington.nsw.edu.au

By: 3.30pm Monday afternoon.

SUMMER AND WINTER SPORT INTER-HOUSE COMPETITIONS

Inter-House Competitions involving all Years 3-6 boys are conducted during the summer and winter seasons. Perpetual shields and trophies for each House basketball, cricket, softball, tennis, rugby and football competition are presented to the House Captains and Vice Captains at special assemblies throughout the year.

INTER-HOUSE ATHLETICS & SWIMMING CARNIVAL POINT SCORE SYSTEM

As Wyvern House and Lindfield have significantly different numbers of student enrolments, the number of participants in each House team differs significantly. As a result, a modified scoring system is used to ensure each House has an equal opportunity of winning the carnival. At the end of the carnival, an 'Adjusted Score' is obtained by taking the 'Raw Score' (unadjusted score) and dividing it by the number of students in each House. The Adjusted Score determines the winning House. The points awarded for events are shown overleaf.

Carnival Scoring System

CHAMPIONSHIP EVENTS, FINALS & RELAYS	SCORE	STANDARD EVENTS	SCORE
1st place	10		
2nd place	6		
3rd place	4		
Participation (all other places)	2	Participation in heats	1

AGE CHAMPIONSHIP POINTS

Age Champions for each event are determined by adding the total number of points an individual contributes to their House team based on the point score system used at the carnivals. Relay events do not contribute individual points towards the Age Championship.

Representative Pathways

Our most outstanding athletes have the opportunity to 'trial' for team sport representation of the Independent Primary School Heads of Australia (IPSHA) or alternately they can achieve this honour via success at swimming, athletics, cross country, gymnastics or skiing championships. IPSHA representatives compete for places in the NSW Combined Independent Schools (NSW CIS) Team. The representational pathway from IPSHA Teams to National Teams is shown below.

RISK WARNING

Risk Warning Under Section 5M of the Civil Liability Act 2002 on behalf of Newington College, AHIG and IPSHA

Newington College organises many individual and team sporting activities during the course of a year. Some of these are organised in conjunction with the Association of Heads of Independent Girls' Schools NSW (AHIGS) and some with the Independent Primary School Heads of Australia (IPSHA). Students participating in these sporting activities take part in practice and in competitions.

Newington College, AHIGS and IPSHA expect students to take responsibility for their own safety by wearing compulsory safety equipment, by thinking carefully about the use of safety equipment that is highly recommended and by behaving in a safe and responsible manner towards team members, opponents, spectators, officials, property and grounds.

While Newington College, AHIGS and IPSHA take measures to make the sporting activities as safe as possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these sporting activities, whether at training or in actual events.

Injury can occur while the student is engaging in or watching a sporting activity, or travelling to and from the event. The injury may result from a student's actions, the actions of others or equipment failure.

On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion or broken bones). In very rare cases an injury can be life threatening or result in permanent disability. If a student has a pre-existing injury, participating in a sporting activity could result in an exacerbation of that injury.

Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.

INSURANCE

The School has a 'Student Accident Policy' which provides a limited amount of coverage for non-Medicare related expenses where an accident happens during school or organised sporting activities. This does not cover the Medicare gap. Parents are advised to have personal health insurance for their children.

Following an accident the procedure is to:

- Claim on Medicare
- Claim on private health insurance
- Claim on the student accident policy (claim forms are available from the office).

Out LBW

- The striker is out LBW in the circumstances set out below.

 - (b) The ball, if it is not intercepted full pitch, pitches in line between wicket and wicket or on the off side of the striker's wicket and

 - (d) The point of impact, even if above the level of the bails either
 - (i) is between wicket and wicket or
 - (ii) is either between wicket and wicket or outside the line of the off stump if the striker has made no genuine attempt to play the ball with his bat and
 - (e) But for the interception, the ball would have hit the wicket.

Interception of the ball

(a) In assessing points (c), (d) and (e) in 1 above, only the first interception is to be considered. (b) In assessing point (e) above, it is to be assumed that the path of the ball before interception would have continued after interception, irrespective of whether the ball might have pitched subsequently or not.

Football (Soccer) Rules

FOOTBALL (SOCCER)

Positions

Defender/Back:

- A player who works mainly in the defensive third of the field. They are primarily focused on stopping the opposition's attackers from scoring. This means that they will have to kick the ball away from our own goals and will need to mark opposition players in the goal area in defense. Generally, the left back defends the left side of the field, while the right back defends the right side of the field. However, at times they may need to slide across towards the middle of the field when the ball is on the opposite side of the field. The central defenders generally defend the middle area in front of the goals and they mark the opposition strikers. They tend to stand approximately 10m between the ball and the goals. The sweeper tends to stand approximately 10m behind the central defender and he is the last person in defence. The sweepers job is to cut off any attacking runs from the opposition that get past the last line of defence.

Goalkeeper:

- The player positioned directly in front of the goal who tries to prevent shots from crossing the goal line. He is the only player allowed to use their hands and arms, though only within the goal area. A goalkeeper can make it more difficult for the strikers by moving off the goal line and coming out to meet the player with the ball. Positioning himself along the imaginary line between the ball and the middle of his goals will cut down the strikers angle to shoot at goal when he is dribbling towards the goalkeeper.

- A fair hit is caught on the full by a fielder.
- After hitting a fair ground ball, the ball is caught and held by a fielder with any part of the body (usually her/his foot) touching first base, before the runner reaches that base.
- When a bunted ball goes foul on the third strike.
- Any foul hit is caught on the full by any fielder.
- The bat is thrown. No warning will be given.

A '**STRIKE**' occurs when:

- A pitched ball passes over the home plate and between, or level with, the batter's armpits and knees (in normal stance not crouched) and the batter does not attempt to hit it.
- The batter attempts to hit any pitched ball and misses.
- The batter hits the ball into foul ground on the first or second strike. A ball hit into foul ground after the second strike does not count as a strike. There is no limit to the number of fouls (except a bunted ball as mentioned above).

A '**BALL**' occurs when:

- A pitched ball passes wide of the home plate or passes above the batter's armpits or below his knees and is not struck at by the batsman.

- A batted ball touches first, third or home base.
- A batted ball lands first on, or is touched while over, fair ground beyond first or third bases, even if it then bounces into foul ground.

- Are out if they fail to reach a base and a fielder holding the ball touches that base with at least one foot on it when the base runner:
 - is running towards that base and is being 'forced' to run by another base runner.
 - is running back to a base because a fair, or foul hit has been caught on the full.

- If more than one base runner occupies a base at a time.
- If hit by a batted ball.

BASE RUNNERS

- A base runner must touch each base in order on her/his way around the diamond.
- A base runner may over-run first base and home base.
- If a fielder deliberately interferes with a base runner, the base runner may proceed to the base to which she/he was running without penalty.
- The base runner must return to the base the base runner came from when:
The base runner has started to run but the batted ball is called foul.
A batted ball is caught on the full by a fielder. She/he may then leave that base and proceed according to the rules (ie overthrows in foul or fair territory)

BASERUNNERS may STEAL bases when;

- The ball leaves the pitcher's hand on a pitch.
- One base may be taken on each overthrow.

End of an Innings

- Each half is complete when either the third out is made or when the ninth run for the inning is scored.

Infield Fly Rule

- The infield fly rule will not apply.

Unforced Runner

- An unforced runner is a base runner who chooses to advance to the next base and is not forced by another runner. An unforced runner must be tagged off base for them to be out. The batter is out if she/he dodges more than 1 metre from the tag.

Forced Runner

- A forced runner is a base runner who must advance to the next base because there is a base runner behind them.
- A forced runner may be tagged out or played out at the base to which that runner is forced to advance.

- The fielder must touch the runner with the hand(s) holding the ball.
- The runner will not be out if the fielder loses control of the ball.

BUNTED BALL –

- Is a batted ball not swung at, but intentionally tapped slowly within the infield. If a bunted ball goes foul on the third strike, batter is out.
- All obstructions that occur shall be called by the umpires. The ball is dead immediately and all runners shall be awarded the base they would have made had the obstruction not occurred.
- If the fielder obstructs the runner, the runner will be awarded that base.
- The umpire shall not call 'time' until all possible play has ceased.

TEEBALL

Rules
(cont.)

Until the ball is hit :

- The pitcher must have one foot in contact with the pitcher's plate the catcher must be behind home plate.
- All other fielders must be stationed in fair territory, outside the diamond and OFF the bases.
- A member (coach) of the batting team shall advise the umpire when the last batter is next in the batting order.

BASE RUNNING

- A runner must wait until the ball is hit before leaving the base. The umpire shall call, 'Dead Ball' if a runner leaves before the ball. There is no penalty, the runner simply returns to the base.
- When the batter hits a fair ball, play proceeds until all runners have held up on bases or until no further play is possible. 'Time' shall be called when, in the opinion of the umpire, all possible play has ceased (e.g. when the ball has been returned to the pitcher or catcher). The pitcher or catcher must hold the ball in the air, so that the umpire can clearly see play has ceased and thus shall call 'Time'.
- The umpire shall not call 'Time' until all possible play has ceased. ie the ball must be returned to the pitcher or catcher, before time is called.
- One base may be taken on each overthrow, including home.
- Fielders are not permitted to block bases, as prescribed in the Official Rules of Softball.

GETTING PLAYERS OUT

The batter can be given out :

- After the third strike.
- If the ball is caught on the full.
- For throwing the bat dangerously.
- If a fielder holding the ball touches first base before the batter arrives or if a fielder holding the ball tags the batter before the batter reaches first.

Base runners are given out :

- If a fielder holding the ball tags the runner (either forced or unforced) between bases.
- If a fielder, holding the ball, touches the base with any part of the body (usually the foot) before a forced runner reaches the base.
- If the runner had left the base before a caught fly ball and a fielder, holding the ball (as above) reaches the original base before the runner can return.
- If hit by a batted ball not touched by the fielders.
- When tagging a runner: (All Boy 'A' teams tag, but tagging is only introduced to Boys 'B' Teams in Term 4. During Term 1 – Forced Runners can be played out, at the base to which that runner is forced to advance.)
- The fielder must touch the runner with the hand(s) holding the ball.
- The runner will not be out if the fielder loses control of the ball.
