

TERM 1 Week 5 - Outside of School Hours Care

Hello to the parents and carers of our Newington Wyvern House OSHClubbers 😊

Booking and Enrolment Reminders

Thank you to all parents who have been booking their children in prior to attending OSHClub before and after school care. By booking in advanced you are helping us provide your children with the safest quality care.

If you have not enrolled your child but they are using the service - even on a one off basis - you MUST create a free online enrolment through www.oshclub.com.au. If you are asking your unenrolled child to attend OSHClub before or after school, it is vital that we have; your immediate contact details, emergency contact details, medical history details, dietary requirements and the names of people who you give permission to, to pick up your child. This information is essential in case of emergency and is vital for us to have so we can best care for your child/ren. Thank you for your cooperation with this very important matter.

Medical Updates

Thank you to the parents who have been assisting us with the updating of asthma and anaphylaxis forms. We will be changing the asthma forms again within the next few months (in accordance with NSW law) and appreciate you taking the time to sign off on your child's new medical forms once this process begins.

If your child no longer has a medical issue that is still specified on their enrolment, please remove this information from their enrolment as soon as possible. This will save us chasing you for unnecessary medical documents. Thank you for your help with this important issue.

Immunisation Records

Thank you to the parents who have been submitting their child's immunisation record. This is a requirement of enrolled children at OSHClub and we urge you to submit one as soon as possible, if you haven't already. You will need to provide us with our own copy as we do not access them from your child's school enrolment. You can email photos or scans of the document at oshclub.newington@gmail.com. Alternatively you can text a photo of the document to 0428 131 700 and we will print the immunisation form for you. We can also photocopy originals onsite if necessary. We will be providing parents with further information regarding NSW immunisation laws, so please take time to read through this when you are at the service.

Recycled Play

At OSHClub we are teaching our boys the importance of the 3 R'S: Reduce, Reuse, Recycle. If you have any old trash that could be our treasure, we will gratefully reuse and recycle them at our program. We are presently hoping to build a collection of costumes and props to help the boys extend their imaginative play.

Board games and sports equipment are always popular as well, and any donations small or large will be dearly loved and greatly appreciated by both staff and students at OSHClub Wyvern House. Thank you for your generosity if you are able to help us out.

The Three R's: Recent Art Adventures

Last week we centred our program around sustainable practices, such as using recycled materials to create new toys. The boys loved this activity and developed a robot world from old foil rolls, cereal boxes and plastic packaging. Photos of these creative pursuits are available below. Enjoy! 😊

Above: The boys enjoying making their recycled robot creations at after school care.
Below: This week's activities at OSHClub.

If you have any suggestions regarding your child's activities at before and after school care, Please don't hesitate to tell Pamela or myself 😊
