

### WELCOME TO TERM 1 Outside of School Hours Care

Hello to the parents and carers of our Newington Wyvern House OSHClubbers 😊

#### *December and January Holiday Program Review*

Thank you to all staff, students and parents that helped to make our most recent holiday programs a success. Please remember that we cannot accept children under five years old, so if you are considering enrolling a child aged four or under, we will not be able to accept them. We do however take enrolments from other schools, so if your child has a sister or friend they would like to spend their holidays with; they can do this at OSHClub. All we require is the standard online enrolment form, which can be done through our website [www.oshclub.com.au](http://www.oshclub.com.au) for free. As always, it is very important to book for our holiday programs as numbers are increasing rapidly and our capacity is for 60 students only. Be sure to keep an eye on the holiday program section of our website so you can stay up to date with news, events and the earliest available bookings. Please see below for photos from our December and January holiday programs.

#### *Term 1 After School Care Bookings*

Our after school care program is up and running as usual and more boys are attending than ever. For this reason, please ensure you book your child online 24 hours in advance or SMS/phone Eleanor on 0428 131 700 before 9.30am if, you are attempting to book on the same day you wish your child to attend the program. Booking in advanced or informing me early on the day ensures that we have the correct number of staff to children so that your child can be most effectively and safely supervised. It also allows us to cater afternoon tea for your children, prior to them arriving at the service. Thank you for your cooperation.

#### *Enrolment Form Updates*

Please ensure your child/ren's enrolments are up to date, including the year level they are currently in. The current year level is very important as we only meet the K-2 boys for pick up, whereas years 3 to 6 make their way to us at a later time. It becomes problematic if we are waiting for students in year 3 because their enrolment states year 2. Thank you for your help with this matter.

#### *December 2013 and January 2014 Holiday Program Pics 😊*

The children enjoyed fun activities such as problem solving with marshmallows – edible learning!

# OSHClub News

Before School / After School Care Program

The children had fun at excursions such as their trip to Luna Park with Pamela and Veronika. As some of you may be aware, Veronika has sadly left us at Newington OSHClub to pursue her education studies in Melbourne. We are extremely grateful for all of her hard work and she will be dearly missed.

## Our current week's activities at OSHClub (Chinese New Year)

Next week we will be promoting Clean Up Australia Day and sustainable living.

	Monday	Tuesday	Wednesday	Thursday	Friday
