Years 5/6 Basketball A & B Team Match Report – Saturday 1.3.14

The 5/6 A and B's braved the wet weather this weekend to venture to Narrabeen to take on two very impressive Redlands teams. Both teams put in fantastic efforts but were outgunned by more experienced opponents. In the B's the boys were competing well at halftime, but a strong press and some excellent shooting led the Redlands boys to victory. There was impressive post play by Zack McGeechan and impressive defence by Josh Billingham. In the A's the boys again competed well and posted a strong score of 35 points. There was some great play from all players, notably Grayson Richardson and Tom Macoubrie. Unfortunately the A's defence couldn't cope with the skills of the Redlands boys, who poured in 70 points. We are looking forward to continuing to work hard to improve against St Augustine's in Brookvale next week.
