### **BASKETBALL 3/4 BLACK C & D TEAM MATCH REPORT - 15.2.14**

As we filed to the Senior School for our second game of the season on a rainy Saturday morning, our stomachs were busy beating with butterflies. We had come into this game confident to hone in our basketball skills from the first few trainings and last weekend's game. Redlands proved to be a very competitive side but we matched them well for skill, pace and enthusiasm. Overcoming some on field antics, the D's fought hard but unfortunately were beaten by only a small margin. They did, however draw the 2<sup>nd</sup> half. The C's was an extremely close game, only going down by 1 point! Similarly, we found our form to beat them in the 2<sup>nd</sup> half. We look forward to controlling the game this weekend to secure our first win.
