

TERM 1 March 31st-April 4th at OSHClub

Hello to the parents and carers of our Newington Wyvern House OSHClubbers 😊

Standard Booking Procedures

Thank you again to parents who enrol and consistently book children online prior to attending OSHClub. Adhering to our booking procedures helps us provide our students with the safest quality care. If you have not enrolled your child but they have used the service, you are required to create a free online enrolment through www.oshclub.com.au. If you are experiencing difficulty enrolling your child online, please contact OSHClub Head Office on 03 8564 9000 for assistance, as OSHClub staff at Newington Wyvern House are not able to assist with the online enrolling process.

Immunisation Records

Thank you to parents who have been submitting all required immunisation records. To those who have not, please submit these forms to Eleanor at OSHClub as soon as possible. If you have updated your child's immunisation since last providing us with their record, please submit their updated record too. You can email Medicare PDFs to oshclub.newington@gmail.com. We can also photocopy originals onsite if necessary.

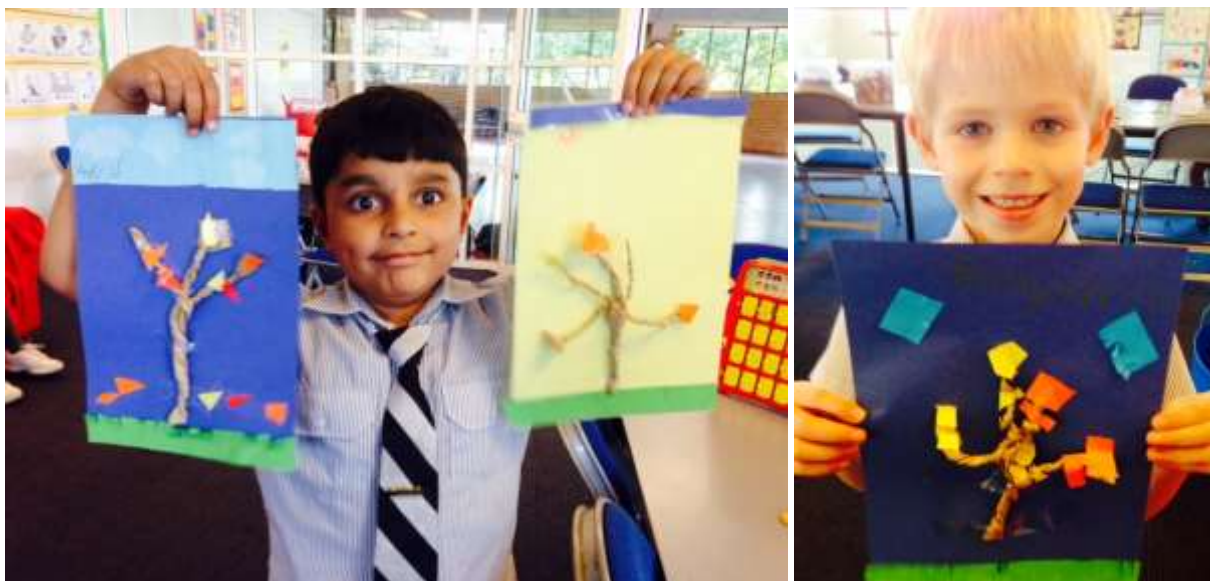

Homework and Art Club at After School Care

Due to increased demands we now have a regular Homework Club at ASC. The Club runs from 4.30pm-5.00pm, Monday to Thursday, and is a great opportunity for boys who *choose* to do their homework at school. The homework half hour IS NOT compulsory, so if you prefer your child to complete their work at home under your supervision, our Homework Club will not affect your ability to do this.

The quiet indoor space provided for the restructured Homework Club is also an opportunity for boys who need relaxed, passive play in their afternoon. The options for boys choosing quiet indoor activities between 4.30pm-5.00pm are 1) Homework Club, 2) Individual reading or brain training (e.g. crosswords) and 3) Art Club. We are seeing some beautiful and creative results from the newly structured Art Club as our students who love to engage with crafts and material problem solving are now given a more involved space in which, they can develop their knowledge and confident self-identities, with regard to their creative pursuits. Please find photos below from this week's Autumn inspired Art Club activities.

Above: Oliver shows us his interactive Autumn inspired puppet!

Above: Adhi and Benny show their colourful Autumn inspired collages.

Holiday Program – April 2014

This year's first Holiday Program is fast approaching so remember to book your children in as soon as possible! Given the nature of our Holiday Programs it is not always possible to accept walk-ins on the day. For this reason, make sure you are enrolled, booked and have sent us your immunisation records in order to ensure your child's place at the program. Please see below for images of this Holiday Program's themes and activities. These are also available online at through www.oshclub.com.au and at the sign in desk, at before and after school care.
