SOFTBALL A & B TEAM MATCH REPORT – 15.3.14

It was an unfortunate end to a great term of Softball for Newington, with both teams losing in our final round game against St Pats Strathfield. The Year 5 team were a bit off the pace, which may or may not have been attributed to the Year 5 sleepover leading into the game (Loss 22-2). The Year 6 team had some near misses but were unfortunately outplayed by a better opponent on the day (Loss 18-1). We are all looking forward to getting back out there in Term 4 and having some more fun!

Mrs Rebecca Stewart – Coach

YEAR 4A TRADITIONAL TEAM MATCH REPORT – 15.3.14

Saturday's match against Scot's College marked the final round of the Summer season for Newington's 4A's, and the boys were keen to end on a high note. Captain Cody Rixom won the toss and elected to bowl, and some very tight fielding early on in the innings saw Scots lose wickets to run outs – Bililign Robertson was, as always, rock solid behind the stumps, and Oscar Cuttance was unlucky not to take a wicket or two in his tidy and fast-paced spell. A brutal bowling partnership between Edson Whattam and James McGregor at the end of the innings saw three wickets fall in quick succession, and left the boys with their heads up.

Set a target of 103, the 4A's started strong. Tom Fraser played showing great awareness and finesse playing some glancing shots to fine leg to help the run rate tick over. Dylan Clark, as always, came out to play his brand of aggressive cricket and was smacking the ball to all ends of the oval.

The target of 103 was a bridge too far for the boys, however, and Scots came out on top. There were plenty of positives to take from this match, though, and a special mention must go to Andrew D'Addona who sustained an injury during the warm up, but soldiered on throughout the entire match without one word of complaint. This sums up the positivity the boys bring to their cricket, and I'm looking forward to more games at the end of the year. Well done, lads!

Mr Campbell Jensen-Robilliard - Manager

YEAR 4B SUPER 8 CRICKET TEAM MATCH REPORT – 15.3.14

As the sun rose again the Year 4 Super 8 Cricket team took to the field once again. This time they were lining up against Mosman Prep. A team that the boys defeated in this year's Round 1. Knowing that all boys had trained hard all season put the Newington boys in a positive mindset.

The match started off with the vision of amazing bowling from Rohan and Sebastian. Sebastian has come a long way this season and picked up two amazing wickets in his first over. Mosman could feel the pressure mounting. Newington held the opposing side to just 48 runs. This was one of the lowest run chases this season.

When Newington came out to bat they found it very difficult to score runs. The fielders were on their toes and the bowlers were on the stumps. Unfortunately Newington couldn't get the run chase going strong enough and the boys went down by just ten runs. The final score ending with Mosman on 48 Newington on 38.

Congratulations to all the boys for their efforts in this first half of the season. I look forward to getting the whites back on and bails out in Term 4 for an exciting second half of the season for the Year 4 Super 8 cricket.

Mr Tony Cross - Coach
