MATCH REPORTS FOR SATURDAY 24 MAY 2014

9WHITE FOOTBALL MATCH REPORT - 24.5.14

The 9 Whites worked hard to hold off a persistent Grammar St Ives team winning 6-2 in the end. Wyvern 9 Whites held their positions consistently throughout the match, not giving grammar much space to attack. Team work was key in this win as each line within our formation linked up passes to gain ground and work our way around their defence. I was impressed at how the boys kept their positions, passed to each other and fought hard in defence.

Hugh Scott - Coach

9GREY FOOTBALL MATCH REPORT - 24.5.14

On a beautiful Saturday morning, the 9 Grey Football team headed north on Mona Vale Road to St Ives for their match against St Ives Prep.

It was our third match of the season and there were notable improvements in their general skills and team work. Our coach Claire has been working hard at training encouraging the boys as they develop their football skills and knowledge. The boys are beginning to take note of their positions on the field and are resisting the

urge to bunch up. Their control of the ball is improving but they have to remember to follow through after kicking the ball clear and make full use of the opportunity.

Overall it was an exciting match between two evenly matched teams.

Debra Malkki - Manager

11B RUGBY MATCH REPORT – 24.5.14

On Saturday 24.4.14 the 11B Rugby team played Trinity at Bressington Oval. We started very well, scoring quickly and as the first half progressed, we were totally dominant. The team played very well together, each member running, passing and tackling for the good of the team, not themselves.

Unfortunately, the second half saw us lose our focus, so that we fell off tackles and did not work together as we had in the first half. Trinity were able to claw their way back into the match and were able to score their winning try in the last minute of the match.

Although we lost, each team member should be proud of their efforts and be sure that this was without doubt the best team effort thus far this season and so hopefully a pointer to even better results to come.
