

WYVERN SPORT TERM 2 - WEEK 7, 2014

Saturday Winter Sport Round 6 – Saturday 14 June, 2014

The winter sport fixtures for 2014 are available on Newington Spaces.

Please remember that on occasions these fixtures are subject to change, so always refer to the weekly sports draw to get the most up-to-date details regarding the weekends round of matches.

Athletics

Well done to the boys who made the finals of the high jump and 800m after trialling over the last few weeks. Wyvern's high jump results will be compared to Lindfield's to find our winner and the 800m finals will be run as the first event at the athletics carnival in Term 3. Mr Martin and Mr Wilson will continue trials for athletics events this Term. **(Shot Put, Discus, Turbo Javelin and Long Jump)** If boys would like to trial for these events we will be moving to the senior school early on certain days for certain age groups. These dates below are on the sports notice board. These trials will take place in an attempt to speed up the athletics carnivals field events, hopefully enabling us to run sprint finals and relay events. Boys who do not make a field event final or do not wish to participate "competitively" will still participate in the event on the day in a separate competition. Boys who are absent on any given day will not be excluded from trailing at another time, they just need to see Mr Martin or Mr Wilson to organise another time.

CIS Rugby

Curtis Palmer and Alex Rumi trialled for the CIS rugby team last week, with Mr Wilson representing the school as a selector. These trials were very competitive with the boys unfortunately missing out on selection. But congratulations are required, as our boys did their best and definitely improved their standard of play throughout the process.

CIS Cross Country- Thursday 12 June Eastern Creek

Today 5 Newington Prep students are racing the best cross country runners from CIS, at Eastern Creek. Fletcher Jakes, Bililign Robertson, Nicholas Venetoulis from Wyvern and James Whiteing and Oscar Moody from Lindfield are our representatives. We wish the boys all the best for their races and eagerly await news of their placing. We are all hoping Bili can repeat his amazing performance from 2013 when he became CIS champion in the U/9's event.

Wyvern School Holiday Sport Camps

Once again these holidays, Wyvern will be offering several opportunities for our boys to participate in sport camps. The rugby and football camps in particular are programmed to reinforce the coaching priorities established by our Directors in Charge of Rugby and Football coaching (Ben Manion and Ian Crook). In addition to this, Seed Sports will once again be offering their multi-sport holiday programme for those boys wanting a variety of sporting experiences in a fun and enjoyable environment. All flyers can be found on Spaces on the Wyvern Sport page in the Holiday Sports Flyers tab.

Newington Team for 2014 Balmoral Burn – Sunday 1 June

It was great to see Newington Preparatory School represented at the 2014 Balmoral Burn. The 400m run does not seem daunting until you hit the wall about half way up the ludicrously steep incline of Awaba Street. Bili Robertson took off in a bid to challenge for line honors only to succumb to the rising gradient. Fletcher Jakes made it to the top as did Mitchell Cope and Daniel Maxwell. Mr Holden conquered the challenge once more albeit in a different race category. All of our participants helped to support Humpty Dumpty with the purchase of much need medical equipment for children's hospitals across Australia. Wyvern's runners will have another chance to represent at a community fun run on 3 August at the 2014 Bayrun. Hopefully we can form a strong team in an attempt to retain the trophy for the "fastest school in the west"

Newington Enter Team in City to Surf – Sunday 10 August

Message from Troy Stanley

Dear Wyvern Community,
A Newington College team for this year's City2Surf has been started up and we would love you to join. Our goal is to have as many Newington runners as possible joining the race whilst supporting and raising funds for the **Humpty Dumpty Foundation**, a children's charity. Our team will consist of Staff, Students and families as well as Old Boys. **Please note** - Due to the distance and large number of entrants in the race, supervision of boys by staff is simply too difficult. Therefore supervision of boys

during the race remains the responsibility of parents.

If you are interested in taking part please register online ASAP to receive your Early Bird discount on your race entry. Step by step instructions on how you register and also how you can be involved in supporting Humpty and the great work it is doing for sick children in hospital can be found on Spaces A morning tea with a Humpty Ambassador presenting to students (eg Phil Kearns ex-student or Jane Fleming) is in the process of being finalised. Runners who have fundraised \$200 or more will receive a free invitation to attend - so register now and start fundraising! More details to come on this presentation.

Looking forward to the challenge!
