Football 9White	vs	Grammar Edgecliff	Won		S. Parhash
Football 9Grey	vs	St Aloysius	Lost		A. Sutherland

MATCH REPORTS FOR SATURDAY 9th AUGUST 2014

9WHITE RUGBY MATCH REPORT - 9.8.14

Ominous fog crept over the buildings in Parramatta, as the 9 Whites arrived at Kings for their last match of the season. The progression was evident as they ran on the full sized field, without their coach with them in the middle. Off the kick it could be seen that it was going to be a fair contest with both teams seemingly matched in size and experience. Both teams traded tries with regularity. Defencing lapses that have plagued the team all season started to develop allowing the Kings boys to capitalise on some weak tackles. Newington did not give up and some players started finding their stride. Joshua Cartwright ran with momentum, often carrying a number of opposition players on his back as he strode for the line. Jack Nunley took the initiative to run when the opposition was unsettled and used his fend to his advantage to gain consistent metres. A huge thank you goes the parents for their unwavering support of the boys. It has been impressive how many have shown up week after week to provide motivation for the boys in the right spirit of the game.

David Hazelton - Coach

11A FOOTBALL MATCH REPORT – 9.8.14

Saturday offered an intense match against St Aloysius against Newington. The game was really intense because last time we lost to them 7-0 so we wanted to beat them. It was perfect conditions, sunny and warm so it was even better. Both teams were evenly match, but in the end Newington won 3-2. Everyone was so happy and excited.

Midway through the first half, Liam crossed the ball to Stefano who took a shot. The keeper partially saved the ball and the referee gave the goal because he decided the ball had crossed the line. The other team's coach wasn't happy about this. St Aloysius equalised the game when they made a beautiful break through our defence and knocked it to the side of Lachlan Harmer. Then it was half-time.

Mr Pollard gave us some tips and then it was back to it. Stefano scored a second for Newington before Liam powered in a beautiful long range free kick which beat the goalkeeper. Now the score was 3-1. St Aloysius had a clear opportunity, but the defence threw themselves across the goal to protect the lead. Five minutes later St Aloysius pulled one back to make it 3-2.

Through determination and courage, Newington held on to score a famous win and finish the season on a high.

Aidan Principe 5P and Adrian Pollard - Coach

11C FOOTBALL MATCH REPORT – 9.8.14

With grey, ominous clouds hanging low in the sky, young football players across Sydney made their way to their final game of the season. With hope in their hearts the 11C boys started the game stronger than ever. They played well together with power backing them as they moved their bodies efficiently and effectively around their opponents. Denis did an awesome job manning the goal in the first half of the game. For most of the match, spectators watched both teams passing the ball back and forth with St Aloysius' strong on the attack and Newington absolute in their defence. We watched Gus' calm control over the ball and fancy footwork; and strong defence and attack from Hamish, Joe and Benj. Owen passed the ball well to his team mates before doing a stellar job being goalie in the second half. We nursed an intense atmosphere for most of the game, with the score being nil all until the last 10 minutes of the game when 4 goals were scored in total, however, unfortunately only 1 goal to our name this time around. With pride in their hearts, the 11C's held their heads up high congratulating and shaking hands with our opponents. They demonstrated their unwavering Newington spirit by forming an arch for the 11B's team to run through as they entered the field to commence their game. A season well done 11C football team, your coach and teacher are proud of you.

Jane Vuong – Manager

11D FOOTBALL MATCH REPORT – 9.8.14

The 11D soccer team had a fantastic game last Saturday against St Aloysius. The boys have shown incredible commitment and focus throughout the season to improve their skills and strategy. As a team they have been working on their attacking and defensive play. This was evident in the game last Saturday. In attack the boys worked well as a team to use space especially up the wing, to take the ball up the field. In particular Marley Smart, Jack Hamill, Adrian Lo and Christopher Tsolakis worked well as strikers passing the ball to get through the strong defence of St Aloysius. Defensively the boys worked well to hold their positions and mark players. In particular Matt Tucker, Simon Petsianis and David Doust did an incredible job clearing the ball down the field and holding their positions in the defensive and mid field. The ball skills of the team have also improved tremendously throughout the season. Boys have been working on two touch when receiving the ball, dribbling around the opposition and putting pressure on the defence by going up and trying to intercept the ball. On Saturday these ball skills were beautifully displayed by Henry Armstrong-Bailey, Alexander Mouhtouris and Sam Vasta. In goals Simon Petsianis and Christopher Tsolakis did a fantastic job saving many shots. There were a number of boys who were unable to attend the game on Saturday due to illness. These boys have been invaluable to the team and should be commended on their hard work and commitment.

Emma Clemens - Coach
