Tennis B	vs	St Ignatius	Won	43 - 2	L. Waked

6A Traditional Cricket Newington Match Report – 11.10.14

To kick off the new tennis season we went to Barker College in Waitara. The day was perfect for having a competitive match. Each and every tennis player on each team tried their hardest. The overall score was 38 to 25 to Barker. The important thing is the whole Newington team displayed great sportsmanship, better luck next week team.

Rhett Schlaphoff 6M

5A Traditional Cricket Team Match Report or 11.10.14

The Wyvern boys were excited at recommencing their cricket season in a match against St Aloysius at Strathfield Park. Captain for the day, Stefano Ottavio won the toss and sent our rivals in to bat. Fletcher Jakes and Ridley De Lange opened the bowling with great precision, limiting the batsmen in the early overs. St Alos were making steady ground but also losing wickets due to Wyvern's buoyant attitude in the field. Wickets to Jakes, Angus Montrose, Stefano Ottavio, Angus Churchin and Ben Crawford along with a run out helped restrict St Alos to a healthy but achievable 114 in total.

The Wyvern openers started confidently, clear communication helped the running between wickets and put the pressure on our opposition. Unfortunately early wickets of Crawford (3), Addison Eastway (5) and Max

Clarke (5) stymied Wyverns chase. However, all was not lost. Stefano Ottavio was batting extremely well, when he was joined by Gaelen Dorigo, Wyvern still needed 66 runs off the last 10 overs. Dorigo's positive attitude and focus was a pleasure to behold. With outstanding belief, Wyvern was chasing the required run rate with efficiency. Stefano Ottavio reached 40 not out and was obliged to retire with Wyvern still needing 14 from 2 overs. Despite a valiant effort from Dorigo (23 not out) and new batsmen Jakes, Wyvern fell agonisingly short on 109.

It was great to see the boy's sportsmanship and never give in attitude rise to the top in the best all round performance of the year.

Joel Wilson - Coach

5B Super 8 Cricket Team Match Report - 11.10.14

Last Saturday the 5B cricket boys played St Aloysius at their home ground, Anderson Park. Callum Latham was our captain for the match. St Aloysius won the toss and chose to bowl first. We were eager for our first game of this second half of the cricket season - well rested and ready for action!

We were faced with some fast and furious bowling action from our competitors, who had clearly been practising hard over the break! However, we settled into the task, we found our rhythm and started fighting back. Sachin Spencer and Jaxon Jarvis both put in high quality batting efforts, in an exciting partnership, combining excellent blocking with solid run scoring. At the end of the innings we had set St Aloysius a respectable target of 70.

In the second innings, following wise and timely advice from Captain Latham, we were focused on the task ahead. Fallon Fotaras claimed a wicket in the first over, followed swiftly by a super one from Sam Eagleton. Captain Latham continued the trend in his second over, with Tom Hirst really 'going to town' with some spicy bowling that resulted in three scalps - two in the last over! Nail biting stuff. Hugh Migro did an outstanding job as our keeper, with his eye on the ball at all times, stopping numerous shots efficiently. All boys displayed tenacity, speed and accuracy in the field.

A special thanks to Tom Oates, who not only worked hard both in the field and with the bat, he continued to play after an attack from what was clearly a St Aloysius-trained bee! Nothing can stop that Tom! Wyvern won the match by 10 runs. What an exhilarating game to start the term. Can't wait for next Saturday!

Cate Fryda - Manager
