## Before School / After School Care Program

TERM 4 NOV - DEC - Outside of School Hours Care

Hello to the parents and carers of our Newington Wyvern House OSHClubbers ☺

### Bookings and Holiday Program Reminders:

Bookings are now open for 2015; parents already on a regular booking, please note that you will be required to re-book your child into any BSC/ASC sessions if you wish to attend for the New Year, these bookings also need to be applied for term-to-term. We will also be holding a December Holiday Program at Wyvern House, however, we will not be operating during January; please feel free to utilize our other OSHClub services (refer to oshclub website for all sites), Trinity & Fort Street are our closest centers. Please feel free to speak to the onsite coordinator should you have any inquiries!

### OSHClub 'Reward' Party:

The boys have been working exceptionally hard this term to not only follow our expectations, but also build toward establishing new friendships and engaging with each other in a cooperative, friendly and fair manner. Of an afternoon, the boys have been successfully participating in a range of team-building activities, taking the initiative to assist in maintaining a presentable and sustainable center, as well as looking out for each other's wellbeing...

Each day, if the boys are making the right decisions they are awarded with a marble; the aim was to fill up the marble jar by the end of the term (which they are very, very close to completing) and in doing so, the boys could decide what they wanted as a reward; naturally, the boys opted for a party, so, we are excited to announce that on the final week of school we will be throwing an OSHClub party! This will be held on Thursday 4<sup>th</sup> December at After School Care.

It is essential that if you do wish for your child to attend the OSHClub party that you book your child into ASC in advance to ensure the correct staffing and food arrangements can be organised; please note that last minute bookings/drop-ins may not be accepted, and may result in your child having to be collected as soon as possible.

### Donations:

Have any toys, games, sporting equipment, and/or art supplies lying around no longer being put to use?! As long as these are in working condition, please feel free to donate these to us – we would be love to give any toys, dress-ups, sporting equipment, games, art supplies etc. a new home!

### Medical Reminders:

It is essential that on your child's online enrolments any dietary requirements, allergies, and/or other medical conditions are noted in the appropriate sections – these come up as flags for staff members to view and if not noted correctly, may result in information not being listed on the medical flag sheet.

It is also imperative that if your child does suffer from a medical condition, such as asthma, that the correct medication is provided to us as well as a doctor approved plan, which has been signed. Please note that if your child does NOT have an asthma plan provided by the doctor that this is removed from their online enrolment as soon as possible.

Before School / After School Care Program

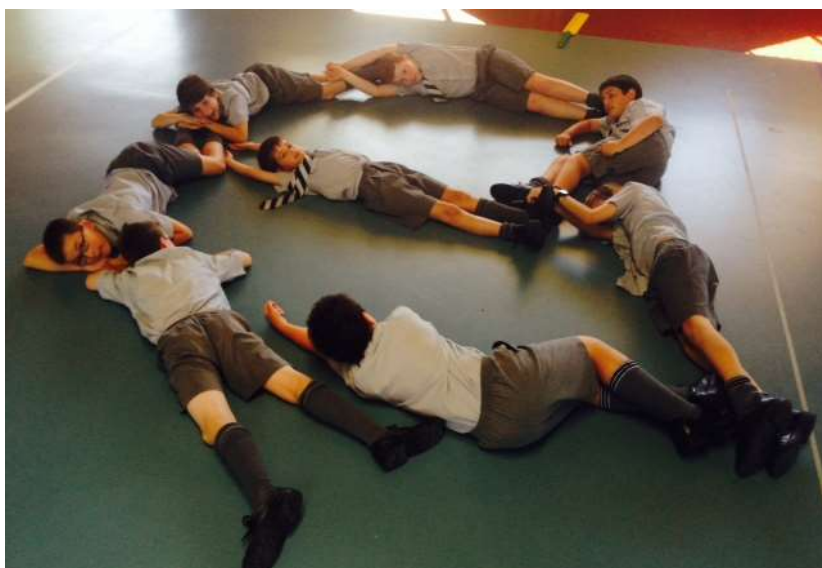

## **Recent Program Photos**

Over the past couple of weeks the boys have been engaging in various team-building challenges and games. Boys have also been completing activities to get to know each other more; older boys were teamed up with younger boys and they had an opportunity to ask each other questions! The following photos show the boys engaged in games such as tunnel ball, silent ball, a group treasure hunt where the children had to stick together and follow clues to the final challenge as well as completing recycling arts and crafts; some boys even made instruments!
