Water Polo A	vs	Waverley	Draw	6 - 6	T. Oates
Water Polo B	vs	Waverley	Lost	3 - 6	N. Venetoulis

MATCH REPORTS FOR SATURDAY 14TH MARCH 2015

Cricket Year 5A Traditional Team Match Report - 14th March

The Year 5A Traditional Cricket team have had mixed results to begin the year, results wise, but I've been so proud of the boys on how they have gelled as a team, encouraged one another and improved.

I set the boys a challenge worthy of being in the traditional team at the beginning of the season. Rather than being given an opportunity I asked the boys to step up and earn it. The response from them has been exceptional. I'm so pleased to say through hard work, persistence and performing in games the likes of Oscar Cuttance, Rex Wiefler, Dylan Clark, Edward Neale, Rohan Graham & Cody Rixom have earned themselves a spot up the order in either batting or bowling. I'm proud of their efforts. Well done gentlemen.

The dividends of this hard work was never more apparent than in our last game. Our regular run scorers had an off day. That's cricket. But what came next was awesome. Given the chance other boys in the team stepped up. They converted the time spent each week at the crease to score runs and we set a respectable target. Knowing spots are up for grabs each and every week the boys bowled economically, taking wickets as well and the fielding was first rate with some great catches. When the game was on the line the talk remained positive and we scored a victory that looked unlikely earlier in the day. One of the great victories because it was a real team effort!

Edson Whattam deserves mention for scoring 140 runs this term before being dismissed. James McGregor, Bili Robertson and Louis Bertrams have been among our top run scorers and Stirling Smith has acquitted himself well batting, bowling and keeping against the quicks of McGregor, Robertson and Dylan Procter.

Special mention also to James Linardos, Luca Di Cristo, Lucas Bardsley & Andrew D'Addona who played games in the A's this term and blended in perfectly.

Jamie Martin – Coach

Teeball Team Match Report - 14th March

Wyvern Teeball has had a terrific season with numerous strategic wins; brilliant catching and batting skills learned and most importantly, we have all gained new friends because of this terrific team. This past Saturday started out with us all meeting in Maroubra against Coogee Prep for our last match of the season. It was a perfect morning with steam coming off the pitch as the sun warmed up the playing field. Thomas Blanken was our noble pitcher using his magnetic hand to grab any fly hits and then straight to Flynn or Tom for a second out. Daniel and Ryan also had some terrific hits and there were plenty of home runs with our final score of 19-11. I am very proud of Wyvern Teeball and looking forward to Term 4 where we could continue to make friends and learn new skills.

Richard Baker – Coach

Basketball Years 5/6C Team Match Report – 14th March

Newington versus Kings, it was the last game of the season. We met at the high school and prepared to play our very best.

Basketball 5/6C's had a very impressive start. Joe Dyster, Riley Leung-Nicholson and Mat Vasilaras took charge of the court. The whole team were scoring goal after goal. Newington stormed to the lead and Kings were chasing us down. As the half time buzzer rang and Newington was still leading the game. The score half time was 16-6.

After a quick break and a team talk on rebounding, we headed back on to the court. The opposition was very tough but we still stayed on our feet scoring goals and defending to the best of our ability. We were neck in neck and the whole team fought to stay ahead. It was nail biting as every remaining minute ticked by. Finally, when the final whistle blew Newington and Kings could not be divided. We had a draw 22-22.

Well done Newington.

Tom Cowdroy 6B

Basketball Years 5/6D Team Match Report - 14th March

This week we played an excellent game, we had really good defence and excellent offence. In the second half when we had the ball we would run down the court, draw the man then pass the ball. In defence we would mark our man and not run away from the opposition. George played a fantastic game running up and down the court scoring lay ups. Dylan was doing excellent defence and passing into open space. Kieran was passing in the key and doing lots of shots which helped us out. Over all the Year 5/6D basketball team played very well on the weekend and I can't wait till term 4. Our final score was 13-5.

Basketball Years 5/6F Team Match Report - 14th March

On a sunny day at Kings School in Parramatta, the Wyvern Year 5/6 F team were up against Kings, a team that we beat comfortably at Newington College New Gym last week. Yet again we won comfortably in a score line of 27-3. Everyone did well and we have improved massively since day 1. This win has made our record 5-1 with a dominating term of brilliant basketball with wonderful rebounding from Will King, brilliant spatial awareness from Jack Hamill and Kim Long Lam, great shot accuracy from Mikey Hassan, Ben Walsh and John Koumoulas, great dribbling skills from Ben Walsh and John Koumoulas and brilliant running acceleration from Alex Ayoub and Will Reiter. Simon Petsianis had wonderful perseverance, continuously peppering up shots no matter what the score was all season.

The Men of The Match honours go to:

3. John Koumoulas

2: Jack Hamill

1: Ben Walsh

Thank you boys for a great season! Make sure that you practise hard during winter!

Jack Hamill 6K

Basketball Years 5/6G Team Match Report - 14th March

For our last game of the term against Mosman Prep, we travelled to one of the more picturesque locations overlooking Sydney Harbour. Not to be distracted by the view, we settled into our drills before the game. Once on the court we focussed our attention on the game. We worked very hard to get the ball down our end of the court while many others were determined to keep the ball in play. We made valiant efforts at baskets and rebounds with a nip umber of near misses – perhaps the wind was not on our side!

Water Polo A Team Match Report for Saturday - 7th March

On Saturday the Newington 12A Water Polo team arrived at the senior school pool to play against Scots. A lot of players were half asleep as we had a 7:30am match. At half time of the B match, the team warmed up so we were ready to start straight after the B's. The whistle blew and a few minutes into the match we knew we had to play our best to come up with a win. Four goals for Scots in the first quarter meant we had a large disadvantage for the rest of the match. At half time it was 4-3 to Scots as Newington were coming back. However, from then on it all went downhill as Newington were defeated 13-5. It was a bad loss but everyone was still happy to start their weekend.

Liam Spiropoulos 6R

Water Polo B Team Match Report for Saturday - 7th March

The Water Polo B's played Scots on the 7th of March it started off quite well. Scots had the advantage 1-3 and then Casey Horne came in and scored a marvellous goal. The second quarter Newington closed the gap to have the scores locked at 3-3. In the third quarter the whole team combined well, passing up the pool and scoring a goal making the score 3-4. However, Scots came back and scored two quick goals making the score 5-4. The fourth quarter started and Gilbert Hogg came in and scored a great goal making the score 5-5. Scots used their experience to finish strongly and scored 3 more goals to make the final score 5-8 with an unfortunate loss.
