

Lucy Hawking Author Talk at Wyvern

Newington College

On Thursday **April 23rd**, Lucy Hawking will be visiting Wyvern to speak to the students in Years 4-6. Lucy Hawking is an author and the original creator of the George Greenby books, a series of adventure stories which aim to explain complex science to a young audience through dramatic storytelling. Lucy works with a range of distinguished scientists on the George Greenby series, including her very well-known father, Stephen Hawking. If you would like to purchase these books and have them signed on the day, please fill out the form below.

All books ordered will be personally signed and dedicated by Ms Hawking, to ensure you do not miss out, please return the below form to school by **Monday April 20th** to ensure you receive your order. Very limited stock will be available for purchase on the day.
