9White Football Team	vs	Grammar St Ives	Won		F. Smart

MATCH REPORTS FOR SATURDAY 16TH MAY 2015

12A RUGBY TEAM MATCH REPORT

It was evident early in the match that our opponents were keen to throw the ball wide to their speed men in space. After 2 quick tries were conceded, the Wyvern 12A rugby team's resilience and unity was to be fully tested. St Pats scored another try before halftime to make it 19 - 0 but it was pleasing to see that the Wyvern team was not about to lie down.

After some encouragement at the break, with a few areas of our game discussed, the team set about restoring some pride in the second stanza. It was clear to see that the boys responded positively, congratulating each other on their efforts by patting each other on the back with respect. Although clearly outplayed during the match, the Wyvern team never gave in, Callum Latham eventually crossing for a try resulting in a 24 - 5 score line.

Play of the day - Thomas Oates copybook tackling in the centres.

Mate of the day - Oliver Kleppich for his positive support of others in the team.

Man of the Match - Tom Hirst for his tireless and selfless work at the breakdown.

Joel Wilson - Coach

12B RUGBY TEAM MATCH REPORT

The boys were off to a flying start in their match against St Pats over the weekend. At half time the boys were ahead 12 nil thanks to some good ball handling from the front rowers and clean line breaks made by Jake Goodhand. The half time score line didn't reflect the gutsy defensive effort that was put in by all the boys as they defended inside their own twenty for the majority of the first half. The second half was a different story with St Pats running over the try line off the kick-off on three consecutive occasions. The boys have taken a lot away from the game and are looking forward to putting out a more consistent effort this weekend.

Rebecca Stewart - Manager

10WHITE FOOTBALL TEAM MATCH REPORT

It was a cloudy day at Tempe on Saturday but this did not deter the intrepid 10 White football team. They had a tough fast match against an in-form St Aloysius squad. The boys did their best to keep their shape, and fend off some good corners and fast attacking pace. Congratulations go to the tenacious mids - Stefan Radin and Jamie de Botton, some great goalie work from Tom Carlisle and Lachlan Ole who put his body on the line as the last defence. Well done to Sebastian Parhash, Josh Byrne, Nicholas Wadland and Noah De Lange for a great effort in trying to keep out the attackers. A big shout out to the goal scorers and upfront players Rocco Vitalone, Daniel Johnson, Alexander Iacus-Pisco, Xavier Borralho and Nicholas Maratos for a sterling effort from all. Enjoy your time off next week.

Ms Buining - Coach

10BLACK FOOTBALL TEAM MATCH REPORT

Saturday morning saw the Wyvern 10 Blacks face off against St Patrick's away from home. A fairly one-sided first half saw Wyvern concede several early goals from consecutive well worked St Patrick's attacks. Some good saves were made by both Christian Ikladios and Nicholas Tsakonas for Wyvern which helped limit the half time scores in both matches. Despite the score line the Wyvern boys held their heads high and took to the field again for the second half. The second half featured a much stronger performance from the Wyvern boys, with some great runs from Zachary Nguyen and Gabriel Lee. Wyvern worked hard and limited the score to 2-1 in the second half. The boys' determination and commitment despite being 6-0 down was the highlight of the match and although there were many things that could be learnt from the game there were many pleasing moments to match. After a week of no training and the Year 4 Camp, the boys still gave it their best. With a game against Knox coming up next for the 10Blacks hopefully the boys can bounce back with a win.

Chris Patel - Manager

10A/B FOOTBALL TEAM MATCH REPORT

A squad of 14 players has been selected for the 10A/B Football team this year. In order to manage team numbers two players, the captains for the week, support the 10 Black Football team by being their substitutes. Thank you to those players who have wonderfully supported the ethos of Wyvern House Sport so far this year. It's been great to arrive at our games with the other boys and see the selected 10A/B Footballers plying their trade with the 10 Black team.

Likewise the 10A/B Football team has been ably supported by Nicholas Tsakonas, Lewis Lee, Lachlan Tran and Andrew Loi from the 10 Black Football team. They have stayed on after their games and played in the 10A/B team. A big commitment week in and week out. Thank you guys, it is much appreciated.

This year I am focusing on providing the boys with an opportunity to play multiple positions to broaden their Football education and assist them in the transition to 11 aside Football next year. It is a work in progress at this stage, getting them to understand they can be involved from anywhere on the field by holding position rather than chasing the ball. What has impressed me so far though is the awareness to use support players and pass the ball. A big plus. Last weekend they also impressed me with their tenacity against a formidable opponent. They never gave up the entire game.

I'm looking forward to the rest of the season because it is wonderful to work with a keen group of boys who are also prepared to play as a team. Seeing them string consecutive passes together to out manoeuvre their opponents is much more thrilling than seeing flashes of individual brilliance.

Jamie Martin - Coach
