9Black Football Team	vs	Scots	Won		W. Griffiths
9White Football Team	vs	Scots	Won		J. Zhu

MATCH REPORTS FOR SATURDAY 13TH JUNE 2015

11A FOOTBALL TEAM MATCH REPORT

On the 13th of June the 11A team had a disappointing loss against Scots. Rohan (the captain) won the coin toss and chose for Scots to kick off. It was a close game. In the second half, Alec in his debut for 11A team and off the bench scored the first goal of the game. What a great shot. Though soon after Scots levelled the game with a through ball to the right winger who scored. The next goal was from Scots, just a vicious run from the striker who finished it off with a low shot to the bottom left corner. With 1 minute to go we missed a chance and Scots made a break and scored. The game finished. Honourable mentions went to James Hewish, Alec Peterson and Michael Malafouris. Though man of the match went to Max Gunning our keeper. Some great saves from him. We played tough but couldn't get the win.

By Rohan Graham 5P and Yassin Safieh 5P

11B FOOTBALL TEAM MATCH REPORT

In week 8, Newington College Wyvern House would have to take on Scots College at Christison Park Nth West. They wanted a win though because it was their last game of term. Today was different because this weekend they had Mr Pollard who was coaching both the A's and the B's. Calum the captain for this week lost the toss and Scots chose to kick off in the first half. This game would be tough to win because James

Linardos was rostered off this week. Luckily, Marcus was at the game playing with us, though he was meant to be rostered off too...

Kickoff had begun. Despite the Scots team having more of the possession, Wyvern scored first on the fifth minute from their main striker, Alec Peterson. This goal came from the skill of Alec. By doing a turn around off a defender, faked a shot, then put in in the bottom left hand corner of the goal. But this was only the beginning of the game. Only minutes later, Scots had a chance to take a goal and they accepted their gift. It was a nice through ball to their striker, then they got past Calum and got the ball past Daniel Maxwell. Wyvern's keeper also did some vital saves though. He saved a cross and set up a one on one with Daniel. He was a great goalkeeper this week. Later in the last minute before half time, Andrew had a free kick from halfway. He did a high ball in the air (technically, he skied it), but no one seemed to get a head on it. It was very difficult to get to though. The half time whistle went and we went to our manager.

The Manager was very pleased with us but said there was a problem he wants us to work on. That problem was in our defence. He said when we have possession, we move up to the halfway and when they are on the attack, we run back to the goals so we can have a rest afterwards. Though only until the striker comes near our defence, so then we are ready. Then we all put our hand in and shouted, 1...2...3...Wyvern! The subs were now Calum, Alec, Alex and Oliver.

The second half began with Wyvern losing the ball early on. With Scots having many chances with vital saves, they finally got their second goal. It was a little touch from the Scots player who gave it to a player unmarked. He took a shot on the bottom right hand corner and he scored a goal just after half time. Again Alec would try to burst down the wing but whenever he tried to cross he would run just beside the line, then it would always go out. Wyvern had heaps of chances, but unfortunately, they couldn't score from those opportunities.

The final whistle blew and Wyvern lost the game 2-1. MOM this week: Daniel Maxwell
Calum Tierney-Mapledoram – 5P

11D Football Team Match Report

Saturday's mild winter morning was the perfect condition to play some good football. Our 11Ds team was first up on the field to represent Wyvern House and stepped onto the field eager to play. Applying some of the skills we focused on a few weeks ago during our training sessions, we saw some fancy foot work beginning to emerge and great attack particularly from the man of our match Owen who gave us his all the entire game. With confidence building regarding ball skills it was great to see our boys getting in there and attacking our opponents with gusto. We left the 1st half of the game 1 down against our opponents. This was not to last long. Andrew scored our first goal to even the score in the beginning of the 2nd half and, with renewed hope and energy Joel gave us the win via a penalty shot. Despite our win, the boys took away some great learning we intend to use in future games next term. Sameer stated "I think our strikers are working well together with our defenders but we still need to work on spreading out and instead of bunching up". A great lesson to take on board. All boys played with pride, determination and positive energy. We are proud of you!

Jane Vuong – Manager

9Black Rugby Team Match Report

On a fresh June morning, the 9A rugby team took to the picturesque Balmoral Beach. Mosman Prep were the opposition and this was a fantastic opportunity to blow out some mid-season cob webs that had developed after weeks of interrupted preparation. From the kick-off it was clear that both sides had come to play and Newington had difficulty breaking the advantage line. Mosman scored an early try against the run of play. Newington were camped down near the line but second phase passes and ball security were not sticking. In the second half Thomas Kosmas stated to find his usual devastating form from the quick tap. Hunter Fadel cut down opposition with effective tackling. Talison Dorigo hit such creative lines and angles that would surely leave his Mathematics teacher with a satisfied smirk. He topped off his efforts with a try that would seal the match. 20-5 Victory.

David Hazelton – Coach

9White Rugby Team Match Report

Last week saw the 9 White Rugby team play Mosman Prep. After quite a loss in our previous match the boys were keen to grab back their winning form. In a hard first half the boys held Mosman to 2 tries all. A revitalised team ran out for the 2nd half. Marcus, Callum, Oliver and Luca did their best to steal the ball from Mosman and tries resulted. Jake, Joshua and Preston tackled hard and passed the ball thoughtfully. Some great runs by Adam, Jimmy and Julian supported the try scorers. Tries were scored by Jake, Olivier, Preston, Joshua and our Man of the Match – Marcus. Final score 30-15 to Newington

Congratulations boys for playing on when it got tough. Have a great break!

Sharon Lewandowski - Manager
