WHAT HAVE WE DONE THE PAST WEEK?

As mentioned in our last newsletter, the 28-Children's Wellbeing cards were introduced and were an absolute success! The boys enthusiastically engaged in group discussions and appeared to really enjoy learning the meaning of each of the cards – these sparked ongoing conversations for the remainder of each session.

The boys have also really loved playing card games, building towers, creating various animals and creatures out of Lego, drawing and participating in group games such as balloon relays, soccer, Tail-Tiggy, handball and bin-ball.

WHAT'S ON NEXT WEEK AT OSHCLUB?

Next week we will be entering our final week of Term 2 – it has been an absolute pleasure working with the boys this term; they have had a fantastic start to the first half of the year and are continuously progressing in whatever they choose to do! At the commencement of the term, the boys had an opportunity to write out anywhere between 3 and 5 goals they wish to achieve by the conclusion of the
