

Dear Parents,

At Wyvern we are proud to announce that our inaugural Wyvern Maths Week and Competition, funded by the generous Wyvern P&F, will be held from Monday 31st August to Friday 4th September. No doubt your sons have begun talking to you about the Competition. We have been overwhelmed by the number and quality of entries received. It was so great to see boys flex their resourcefulness muscle and really come up with all the amazing explanations and investigation into our concept that is 'Maths is all around us'.

As part of the week we are pleased to welcome Professor Maths who will be running a series of Family Maths Nights for Wyvern families in the Wyvern Hall. The program will engage both parents and sons in exciting yet challenging mathematical investigations. What a great way to experience the joy of mathematics will sharing in the learning journey of all. This is sure to be a great experience. You can find more information about this excellent program at www.professormaths.com. Please RSVP to your son's class teacher using the form below by Friday 28th August 2015.

The following dates and times are as advised. Please note that your selected date is not subject to change, however your time may be adjusted due to the amount of students attending. The Wyvern Mathematics Committee will advise of any changes prior to the event.
