9Black Football Team	vs	St Aloysius	Won		B. Lew
9White Football Team	vs	Knox	Won		Whole Team Effort

MATCH REPORTS FOR SATURDAY 8th AUGUST 2015

9A Rugby Team Match Report

The 9A rugby team arrived at Scots for their last game of the season. Everyone was prepared for a bruising encounter with the last time the teams met it was an exhausting draw. Scots were ready and demonstrated strength at the break down as well as an ability to quickly remove the ball from the breakdown area. Newington responded and tackled extremely effectively, thwarting many attacking raids. The team is particularly commended for the way that they held their heads when the play was going against them. Jonah and Talison were everywhere making tackles and using their knowledge of positional play to capitalise on any errors from the opposition. Tom and Quinn were dynamic at the breakdown stealing the ball and consistently getting over the advantage line with hard running. Even though Scots were too effective on the day, the 9A's should be commended on such a successful season in terms skills and personal development, a team to watch in the future.

David Hazelton – Coach

11D Football Team Match Report

The growth and development displayed by all players in the 11D's football team has been astounding this season. During last Saturday's match the boys played hard doing a great job marking their opponents, communicating on the field and the display of excellent sportsmanship. We saw some controlled ball skills

and even some fancy footwork beginning to emerge. They applied a good amount of pressure on St Pats defending the ball when needed to and attacking hard when they got the chance. The player of the match goes to one of our Strikers Andrew Peng who scored in the middle of match lifting our spirits and pride on our home field. What a way to finish the season. The boost confidence in each and every player has made Susie and myself very proud. Well done on a very good season.

Jane Vuong – Coach
