## **MATCH REPORTS FOR SATURDAY 13<sup>TH</sup> FEBRUARY 2016**

### **5A TRADITIONAL CRICKET TEAM MATCH REPORT**

Round 2 of the cricket season saw the 5As taking on Knox, and they were keen to make amends for their season opener which didn't quite go to plan.

Captain Marcus Pearson won the toss and made the gutsy decision to bowl first, a decision which looked to be paying dividends very quickly when Stirling Williams took two wickets in his first over.

The wickets just kept falling and falling, and Wyvern were able to strangle the run rate. Wyvern newcomers Jack Rudd and Josh Serone bowled brilliantly. Josh's pace was nearly unplayable, and Jack created some serious pressure with consistent line and length which eventually drew the faintest of edges, eagerly snatched up by Marcus behind the stumps.

Wyvern were set a target of 74. Some watchful batting from Felix Hochuli saw Wyvern get off to a solid start, and some excellent flicks off the pads down the leg side from Josh Byrne saw the run rate ticking over. Daniel Johnson and Tom Carlisle proved to be a solid batting partnership, and they took it upon themselves to ramp up the attack midway through the order.

Unfortunately, the day's play ended prematurely when the 5As had to clear the pitch for the senior school. With 11 needed off the final two overs, it could truly have gone either way – it's this coach's opinion that we would have gotten over the line, but it ultimately ended in a draw.

Man of the match went to a very deserving Stirling Williams, whose swinging deliveries had him finish with figures of 4/4 – what an unbelievable spell.

### **5B SUPER 8 CRICKET TEAM MATCH REPORT**

Last Saturday, the year 5B team faced Grammar Edgecliff at the Johnson Oval at Newington. Our captain, Hamish Spedding, won the toss and chose to field. The boys bowled wonderfully well and restricted the batting team to 72. Special mention to Wil Schofield for taking a brilliant wicket this week. The boys felt the pressure early in the chase, with wickets falling quickly. Thanks to retiring Harry Earwaker and a great final wicket stand of Hamish Spedding and Richard Hunt, we were able to stay in the chase right to the last over, falling just short by 18 runs. Well done to all the boys for giving great effort and showing brilliant sportsmanship!

**Isaac Williams – Coach**

### **TEE-BALL TEAM MATCH REPORT**

This week our fantastic Wyvern tee-ball team again faced off against opposition from Sydney Grammar St Ives. After losing the bat toss we were sent into the field with Grammar making a great start and building quite a formidable first innings total. However, our boys were more than up to the task with every single one of our thirteen talented young players showing tremendous power, speed and focus to make their way all the way around the diamond and back to home. The inning was capped off by a remarkable driven shot from Diederik Blanken who, with bases loaded, managed to not only reach home himself but also allow three team mates to score runs along with him. Diederik followed this up in the next innings with two stunning catches in the field and, with some particularly excellent fielding and teamwork from Hunter Fadel at pitcher and Benji Burshtein at catcher we restricted Sydney to only three runs. Our rapidly improving team dominated with the bat once more to finish the game, proving their first innings total was no fluke, as we again scored thirteen runs with no outs. This 2016 Wyvern team are quickly proving that they are definitely a force to be reckoned with in the tee-ball world.

Final Score:

Newington Wyvern – 26

Sydney Grammar – 16

**Richard Baker – Coach**

### **5/6E BASKETBALL TEAM MATCH REPORT**

The 5/6 E Basketball boys played a much stronger side on Saturday. St Aloysius were much faster on the court and had many more players on the bench than we did. However the boys all played well and tried to defend in what was a fast match with the ball travelling from one end of the court to the other at high speed. Goals were scored by Hugo and Adam. Some great defence from Campbell, Billy, Ali, Noah and Oscar prevented the opposition score being even higher. Illness prevented us from having our full squad and by the end of the match tiredness crept in. Our season is now one win and one loss. Good luck next week!

### **5/6F BASKETBALL TEAM MATCH REPORT**

The 5/6 F Basketball boys played St Aloysius under the Space Frame on Saturday. The opposition scored two quick goals but the boys did not become distracted from the task at hand. It was a fast paced match and by half time the score was 12 – 4 in our favour. Baskets to Boyd, Maddox, Nick and Lucas kept the score climbing and by full time the score was 19-6. Great defence from all the team, especially Andrew, Jack, Luke and Nick kept the opposition's score low. Our season is now one win and one loss. Well done boys!
