MATCH REPORTS FOR SATURDAY 30TH APRIL 2016

10B Rugby Team Match Report

Saturday's game against Shore was the first game of rugby for a number of the boys. Their determination and enthusiasm was commendable as we managed a 20-17 victory in the last few minutes.

The boys went to the break with an 8-4 lead after tries by Jake Kitchen and Preston Leadon. Solid forward play lead by Anthony Bordina and James Rogers laid the foundation for some good attacking play.

During the second half after a second Jake Kitchen try we fell behind 17-15. However, the boys didn't give up and after working the ball down field, Sacha De Rosnay finished off a get team try in his debut match. A fantastic effort by all 17 players.

12B Football Team Match Report

On Saturday for our first game of football, the 12B's played together exceptionally well against Tudor House. The final match score was 3-0 to Newington, and all the three goals were achieved as a result of excellent teamwork from all the players. The goals were scored by Dylan Sleet, Calum Tierney-Mapledoram and Andrew D'Addona. A highlight of the game was a free kick taken with great skill by William Reiter. The team acted as though we had played football for years together, and we all played together collaboratively and showing great Wyvern spirit. Tudor House played very well but we were happy to emerge with victory. We are looking forward to a great season full of nine other games with our inspirational coach Mr Martin.

12D Football Team Match Report

Our team was excited about the first game of the season against St Ignatius. With an 8am game, warm up with Mr Scadilli and Miss Vuong commenced at 7:30am when the skies decided to open. However, that didn't deter us, when the clock struck 8:00 we walked onto the field and got into our positions. Everyone got into the spirit, had a go and tried their best. The team tried hard to spread out and move toward the ball especially when we were on the defence. Despite our efforts, sadly we lost 0-3. Areas I believe we need to focus on, would be improving our communication on the field and staying in our fitted positions. Although we lost the game I believe everyone enjoyed the game and personally, I can't wait for the next one.

I would like to thank Miss Vuong, our parents for driving us to our games each weekend and finally Mr Scadilli for coaching us. If the team didn't have them, we wouldn't be able to play.
