9Black Football Team	vs	Knox	Lost		Daniel Carter	Harry Alscher
9White Football Team	vs	Knox	Won		Felix Paszkiewicz	Oliver Moore

## **MATCH REPORTS FOR SATURDAY 14 MAY 2016**

### **12B Football Team Match Report**

Today was an absolute stunner of a day with our captain, Jimmy correctly choosing where the whistle was and taking the kickoff. We all had gotten a big jump and surprise of action when we saw who we were up against. These amazing players from our opposition stunned us all when they started running down the flanks smashing the ball at our goal but as our awesome goalie James Hewish keeps it with his magnet like skills and boots it up. We all realised we can do it.

0-0, this was it. This was now being acknowledged and shown. All our boys passed it all up through their defence then BANG! Everything went silent. Will Reiter had just shot a screamer into the bottom left corner. Every single player tried to catch him but no one could, only to realise he was about to do something Newington hasn't seen in the celebration industry yet. He had backflipped! The energy used in that backflip had enough power to keep us moving. Mr Martin told us this is the most important 5 minutes yet, but we stayed strong and doing that we had a clear break where Dylan Sleet ran the left flank with defenders all around taking a huge crack at it. We all started to think we had won but no, it had hit the post and deflected OUT!

We all realised they could use this opportunity, which they did, taking to their left wing bolting their lives out, with the ball bouncing straight through our defence taking a huge foot but its angle went too far and went out. Full Time. 1-0 to Newington, and what a game you couldn't miss.  
**James Lukin 6R**

### **10A/B Football Team Match Report**

The 10A/B Football team have had a tough start to the season, coming up against some very good teams from Knox and Grammar – St Ives. We are playing a 2-2-2 formation in preparation for next year where they will more than likely play a 4-4-2 formation. The aim for this year is for the boys to get an understanding of positional play. Each week they will try a new position to see which positions they are more comfortable in. I know already some boys have relished the opportunity to play in a different position than they would have with their club team. What has been pleasing to see is that on occasion they have played some good football and strung passes together. Looking forward to seeing them play more as a team, competing more for the ball and having a competitive back end of the season.

**Jamie Martin – Coach**

### **10 Black Football Team Match Report**

On a beautiful sunny morning the 10 Blacks played a courageous game against St Ives Grammar. The boys, had just come back from camp, but all showed up and gave it their all. It was particularly impressive to see the boys working on their 'shape' and helping each other out of some tricky tight spots. Even though we didn't win, it's exciting to see boys improving their football skills and playing energetically.

**Meredith Buining – Coach**

## **10 White Football Team Match Report**

At 8.45am on Saturday morning, our 10 White Football team ventured north for their third game of the season against Grammar St Ives. Although the boys had spent the previous three days at Kincumber Bush Camp, they were eager to go; energised by their 8-4 win against Knox in Round 2.

As soon as the opening whistle blew, both Wyvern teams were on the attack. The teams secured an early lead in the opening ten minutes of play with an own goal from St Ives. This was the first of many first half goals, with Youssef Taleb, Liam West and Alan Li all adding their names to the score card. The Whites worked tremendously hard to hold their first half 4-0 lead, with a spectacular display of skill from their goalkeepers; particularly Joel Lyons, who stopped numerous goal bound shots.

At half time, the boys identified their areas of weakness and ran into the second half, determined to hold their positions on the field and increase their lead. The boys reaped the rewards of their hard work, with Sam Creighton, Je Minh Mc Fadden and Alan Li all hitting the target. As the final whistle blew, the boys were gracious in success, and congratulated the opposition on a fantastic game.

The boys were led by Nicholas Toskas and Alan Li (hat trick scorer), who encouraged all the boys to display enjoyment, teamwork and resilience throughout the game. Our Best and Fairest, Jonathan Zhu, added tremendous value to his team, ensuring he was always in the right spot at the right time throughout the game. His hard work was rewarded in the second half, notching up two excellent goals. Je Min Mc Fadden, our Wyvern Spirit recipient, was a model of resilience, showing perseverance and determination when injured in the final ten minutes of the game. He picked himself up, brushed himself off and fought hard to score a well-deserved goal, taking Wyvern's lead, and final score, to 8-0.

The entire team was outstanding, well done boys! Next week, the 10 White Football team face Scots away from home. This promises to be another exceptional game, with all boys hoping to sustain their winning momentum.

**Rachael Dillon - Manager**
