

### Program Update

#### What's been happening at OSHClub

Term 4 has got off to a great start – there has been plenty of different sports, as well as art and craft. Bottle flipping is very popular at the moment, though it can end with cracked water bottles so we are encouraging the boys to keep it at a low level.

The boys have engaged in a variety of art and craft activities as well as group games. They always have an opportunity to complete homework, and engage in activities of interest. Last week we focused on Halloween craft activities and utilising our large range of art supplies, as well as recycled materials. This week we have been engaging in activities involving our theme – Countries of the world.

Here we can see some demonstrations of the art and craft from OSHClub. We encourage the boys to get creative and have fun.
