

### Program Update

#### What's been happening at OSHClub

Term 4 continues to be a productive one for the boys.

There have been amazing art and crafts at OSHClub in the past couple of weeks. From making Pokemon outfits and cards, to wool animals and glitter designs, the boys have demonstrated their creativeness, resourcefulness and productiveness. The boys delight us every evening with their never ending talents 😊

Sport is as popular as ever and we encourage group games and strong sportsmanship during these games.

As always, the boys are provided with the opportunity to complete homework. If you have a special request for your child to do their homework at OSHClub, please inform a member of the OSHClub team and we will implement this.

Our theme last week was based on continuing to develop healthy and respectful relationships with each other, regardless of our different interests. During our group meetings we discussed this with the boys and it was lovely to watch them implement this theme into their play, especially around sport and games. We will continue to promote the boys to practice this theme in a considerate and admiral way.

Here we can see some demonstrations of role playing and art and craft from OSHClub. We encourage the boys to get creative and have fun.

You have until midnight to book your child in for the following day. Should you need to make a late booking (attend on the day of), please SMS/ phone the coordinator on 0428 131 700. If we are at ratio capacity, we may need to inform you that we are unable to accept your child for the afternoon. We have a new assistant starting this week with us and we are very excited for her to join the team. Her name is Rebecca and she is very passionate about sport, which I'm sure our sporty boys will respond very well to! We want to continue building on the boys' established friendships and connections with staff and plan to accomplish this by completing activities that will assist us in opening up to each other in a safe and comforting environment.
