

### Program Update

#### What's been happening at OSHClub

We would like to welcome all the boys to term 1, both our regulars and our new kindergarten children :)

We have many new enrolments joining us this term and we would like to remind the parents to contact us by phone or email anytime if they have any questions.

We have many fun and educational activities planned, and have been incorporating the boys interests from last term and expanding on them.

We had a very busy and fun Holiday Program and the children got engaged in many different activities, from art and craft, to sport and games, as we can see from the pictures included.

Before School / After School Care Program

### Booking Reminders

Thank you to all of our families who are remembering to book in regularly. This helps us maintain safe staff to child ratios and ensure we have plenty of food prepared for our hungry boys. We do understand that last minute events arise and for this reason we do accept drop ins; However if you know that you'll be needing one off care, please endeavour to book online the day prior to your child attending the service. You have until midnight to book your child in for the following day. Should you need to make a late booking (attend on the day of), please SMS/ phone the coordinator on 0428 131 700. If we are at ratio capacity, we may need to inform you that we are unable to accept your child for the afternoon. Should you have any issues regarding your online account; please contact our Account Manager, Maria at maria@oshclub.com.au or directly on (02) 8355 5300 as she will be able to assist with any payment, account and/or booking issues.

### Late Collection of Children

At OSHClub Newington our afternoon sessions conclude at 6:00pm; children collected after this closing time will be charged \$2 per child per minute that you are late. If you are held up, please contact the program on 0428 131 700 as a courtesy to inform staff.

### Pokémon trading

Although we understand that Pokémon is a great interest with a lot of the boys, we have decided to ban Pokémon trading of any cards here at OSHClub. Trading with the cards has in the past, led to some of our boys getting upset. As a result, we feel this is for the best. Please contact me if you'd like to ask any questions or discuss this further.

### Next Week's Activities
