

### Program Update

#### What's been happening at OSHClub

Over the past fortnight the boys have been engaging in many different art and craft activities, as well as our new board games, including Twister, Jenga, Giant Snakes and Ladders and many more.

The new Kindergarten's are continuing to settle in exceptionally. Every day we get to know them a little more 😊

The boys are still continuing to enjoy sport on a daily basis, and their sportsmanship is continuing to impress us daily. It is fantastic to watch the older boys lead the younger boys in different games such as handball, hockey, soccer and Dodge ball.

Our homework club is proving to be a success :) The boys are getting in the habit of sitting down to do their homework, needing less and less reminders.

If any of the parents would like to request for their boy/s to do homework at OSHClub, please inform a member of staff.

Also if any of the parents have any suggestions for OSHClub, please let us know!
