

### Program Update

#### What's been happening at OSHClub

Dear Parents,

First, we would like to ask parents who require care for their children on the 9<sup>th</sup> June (pupil free day), to book online as soon as possible. This way, we can determine if we will have enough children attending so we can provide our service that day.

During the Easter Holidays, we ran our holiday program here at Newington. Our busy and fun holiday program included various sporting and craft activities. Each day focused on a particular theme with the flexibility to include as many child initiated ideas and suggestions as possible – ultimately, these holidays were about the children and what they mostly enjoyed creating and/or playing.

We had two fun excursions, and the Lazer Tag was definitely the most popular 😊

We would like to welcome all the boys back to term 2. We have many fun and educational activities planned, and in the last week we have been getting creative with 'Ooshie' activities, which are a new popular pastime with our boys. On a daily basis we print requested activity, colouring and tracing sheets, and continue to receive some fantastic suggestions.

Sport is as popular as always, with the older boys running group games, and getting a chance to demonstrate their impressive leadership roles. We encourage all the boys to have a turn in leadership roles.

As always, the boys always have an opportunity to complete homework, and engage in activities of interest.

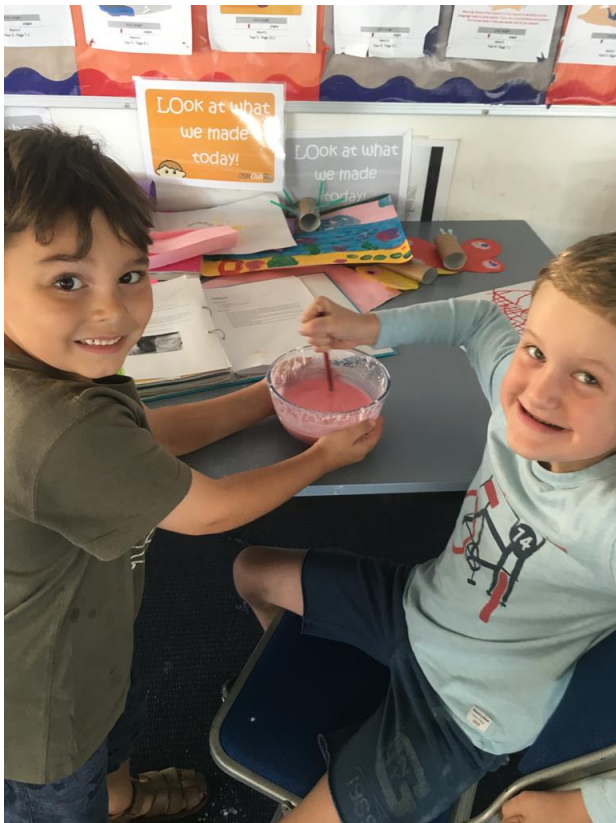

We would like to remind parents that if they would like to request for their boy/s to do homework at OSHClub, please inform a member of staff.

As always, if any of the parents have any suggestions for OSHClub, please let us know!
