9White Football Team	vs	Mosman			A. Ho-Shon	R. Howard-Jones

MATCH REPORTS FOR SATURDAY 13th May 2017

12A RUGBY TEAM MATCH REPORT

A super competitive contest was held at Pittwater Rugby Park on Saturday, when Wyvern 12A's met St Augustines College. The Wyvern team is currently suffering from numerous and varied injuries and would need to rely on some worthy 12B players to help strengthen the team.

From the outset, Wyvern toiled away with some excellent continuity rewarded with an early try to Best & Fairest Isaac Zoud. Hamish Spedding converted to give Wyvern the early lead. The game was extremely tough with neither team willing to give an inch as it ebbed and flowed from one end to the other.

Wyvern's forward pack defended stoutly turning over the ball with regularity. Unfortunately Wyvern still learning to capitalise on an opposition's mistakes by moving the ball quickly and did not take full advantage. The St Augustine's team showed their resilience when down 19 - 0 to score 2 tries late in the match. The Wyvern team were deserved winners 19 - 12 and

rightfully celebrated their victory before congratulating their opponents on a thoroughly enjoyable match. Well done to Wyvern Spirit recipient Lucas Pollard for his tireless work at the breakdown and sportsmanship throughout.

Mr Joel Wilson – Coach

12B RUGBY TEAM MATCH REPORT

The mighty U12Bs entered the winners circle this weekend with a gallant performance against a resilient St Augustines outfit.

During the week we had worked hard on our catching and passing as well as our involvement at the breakdown. These skills were put on show early in the game as the boys raced to an early 21 – 0 lead. It looked like it would be all one way traffic in the first half but with some timely substitutions from the opposition, the tide turned in the second half.

What we were left with was a good old fashioned rugby arm wrestled. The Newington boys were ably led up front by James, Felix and both Toms, while the backs held their nerve with spirited displays from Stirling, Dean and Oliver. Every boy played their hand perfectly on the weekend and it was a real team effort that saw Newington prevail in a tough battle.

Special mention must go to the parents who made the long hike out at crazy-o'clock on Saturday morning, as well as the tough little battlers who backed up and played in the As game after ours. Mr Wilson was super proud of your efforts as well.

Newington – 29

St Augustines – 21

Mr David King - Coach

10A/B FOOTBALL TEAM MATCH REPORT

The under 10s Wyvern A's soccer team hosted and played an enjoyable game against the boys from Shore at Tempe Reserve. It was a warm morning and the pitch conditions were perfect. The game was tough, but the Wyvern side persisted and played a great game all round.

There were well played balls going up and down the field, great passing and some hard on target shots. Despite the heart rending 3-0 loss the wyvern boys had an incredible time and showed true Wyvern Spirit.

Finally we would like to thank the boys from Shore for their demonstrated tenacity and great sportsmanship. We can't wait to play them again.

Lucas Veloz 4P

10 WHITE FOOTBALL TEAM MATCH REPORT

Game 1

On the 13th May, Wyvern's 10 White football team played a challenging round of soccer against Shore. It was a tough and exhausting game as both teams were equally matched. Wyvern fought hard to claim the lead, but Shore's attacking advantage won them two goals in the first half of the match. In the second half, Wyvern persevered and defended their goal well, but in the end, Shore managed to score again. The overall score was 3-0 Shore's way, but our team still displayed great sportsmanship and Wyvern spirit.

Nathan Chong 4K

Thank you to Nathan for volunteering to write the sports report for the game – Mrs Malkki

Game 2

On the adjoining field the other 10 White football team played an exciting game of soccer against Shore. We played well, working together as a team to claim the lead early. The final score was 4 -1 our way.

Mrs Debra Malkki – Coach

10 BLACK FOOTBALL TEAM MATCH REPORT

The 10 Black Football team played their third match of the season at Tempe in the most beautiful weather. It was apparent both teams would have a tough game from very early on in the 1st half. Even though we sustained a loss some valiant goal keeping kept Redlands from scoring even more goals. The games gave our coaches an opportunity to see us under tricky match conditions and they will be able to develop a list of specific skills to target in our future training sessions. Whilst special mention should be made of Blake and Adam for supporting the A/B squad this weekend and Alexander doing the same last weekend both Daniel and Alexander played on after knocks. Thanks boys! Lead by Man of the Match Sunjay and the spirited Lucas the whole squad played co-operatively and positively to the final whistle. See you next Saturday up at Koola.

Mrs Sharon Lewandowski - Coach
