9White Football Team	vs	Grammar St Ives	Won		F. Beresford	A. Rose

### MATCH REPORTS FOR SATURDAY 27<sup>th</sup> May 2017

#### 12B FOOTBALL TEAM MATCH REPORT

Round 5 of the Winter season saw the 12B squad taking on Central Coast Grammar at Tempe Reserve. The boys were eager to get stuck in, having had the previous weekend off with a bye.

Wyvern started the first half well with some very cohesive defensive play. Resolute tackling and tracking back from the likes of Gabe Lee and Boyd Cornish ensured that chances for Central Coast Grammar were few and far between. Ari Kritikos was solid in goals, charging out to meet the ball on multiple occasions and putting his body on the line. A well-worked overlap from Central Coast Grammar which was coolly converted meant that Wyvern went into the halftime break one goal down.

The second half saw a change to the team structure, and Wyvern went close to finding an equaliser. Zachary Nguyen was unlucky not to convert after a gut-busting run down the wing. Likewise, some sharp passing play between Daniel Johnson and Jonathan Tang couldn't quite find the net. Unfortunately the game finished 1-0 to Central Coast Grammar, but Wyvern put on an

exceptional display and were unlucky not to have returned a different result. Man of the match went to a deserving Gabe Lee for his outstanding defensive effort.

Looking forward to seeing the boys improve even further in the weeks to come.

**Campbell Jensen-Robilliard – Coach**

### **10B RUGBY 7'S TEAM MATCH REPORT**

Last Saturday we played two games at Koola Park, Lindfield. Despite only having 6 men to start with in the first match against Kings the boys displayed improved skills and game awareness to run in 9 tries (Ben Adams 3, Theo McGrath 2, Ted Goldsmith 2, Anthony Gregoire 1 and Cameron Wilks-Ellis his first of the season.) Also pleasing was a great defensive display by Aart Lilley.

The second match was against a strong Mosman team. At half-time our lead was 15-5 thanks to a superb try saving tackle by Sebastian Reinitz. The boys showed great stamina to eventually run out convincing winners 40-10.

A fantastic effort from every boy.

**Peter Morpew – Coach**

### **9A RUGBY TEAM MATCH REPORT**

The U/9 rugby team played Barker College at Tempe on a brisk Saturday morning. Unfortunately through illness, the team from Barker were only going to be able to field 8 players and selflessly, Oscar Walsh, Gill Gracie and Mitchell Smit volunteered to be honorary Barker players for the morning.

From the outset of play it was clear that both teams were well matched and Newington was able to get better of the opening exchanges getting away to an early lead. James Hoskins managed to exploit openings on either side of the ground and ran in a number of long range tries. Charles Auld tackled like a man possessed, enacting many turn overs from his strong hits and Jasper Jones was able to stop and hold up multiple attacking raids from Barker. Liam Ross and Ben Chau combined passing and running games to produce probably the classiest try so far this season.

Newington held on in the last minutes to emerge as victors 45-40. All boys demonstrated impressive improvement in their understanding of the game.

**David Hazelton - Coach**

### **12C FOOTBALL TEAM MATCH REPORT**

On Saturday 27<sup>th</sup> of May, the 12c's travelled to Balmoral Park East in order to play Mosman Prep. We were lucky to have our fixtures changed because our original plan was to go to Barker College at 7:45am. All players were happy about the sleep in and felt as though this was going to help their game play.

From the first whistle Wyvern was on the attack. The main reason that we were so strong on the pitch was down to our solid brick wall defense. Every single time the ball came towards us, our defenders were on the half way line ready to slam the ball back to our mids and forwards. Tommy, Sam, Will and Evan all did an amazing job in the first half with Lewis subbing in at half time to continue the strong efforts.

Throughout the game there were many chances for lots of goals. I, Joshua Serone, was quick on the shot and scored myself four goals in a row. All my team mates got around me and we celebrated every single time. I couldn't have scored any of these points without the help of my team mates.

The game was played in great spirits with boys showing ultimate textbook Wyvern Spirit in all aspects of the match. The game ended 4-0 Wyvern's way.

Due to my goal streak I received man of the match and the honour of writing this match report. Well done to Hayden C for receiving Wyvern Spirit who led our boys as captain on the day.

Next week we travel north to Lindfield to battle it out against the other Newington Prep school. Fingers crossed for another win.

**Joshua Serone 6B**
