MATCH REPORTS FOR SATURDAY 29th April 2017

10A RUGBY TEAM MATCH REPORT

The under 10s 12-a-side team travelled North of the bridge to face a tough St. Aloysius opposition. For many of the boys, this was their first game of rugby, and they can be very proud of their efforts. Alo's started strongly with a quick try not long after kick-off, but the boys rallied together and answered back through strong running and team passing to send Daniel Muir over for his first. Daniel converted his own try successfully, and we were ahead. With momentum shifting our way, we pressed on, leading throughout the game and restricting their attack to only touch-down one more time, while our boys piled on three more tries to seal the victory. The most notable part of our game was the support each boy had for his teammate, with great team-tackling and brilliant ruck security. Special mention to Best and Fairest Daniel Muir with two tries, two conversions and too many turnovers to count; and Benny Hunt who played fiercely for the full game, his first ever game of rugby, earning him the Wyvern Spirit award for the weekend.

10'S RUGBY 7'S TEAM MATCH REPORT

The boys playing Rugby 7 this week made a great start to the season as they sought to fulfil their team aims ...1. have fun, and 2. learn something from each game.

In our first ever game we were victorious over Kings running in eight tries. In our second match against Trinity we conceded six tries but were tenacious in defence.

Each boy displayed great spirit and resilience and we are all looking forward to next week's clashes.

12A FOOTBALL TEAM MATCH REPORT

On Saturday 29th of April the 12 A soccer team had a challenging fixture against Trinity Prep. The team showed great skill and Wyvern spirit throughout the match with each player playing extremely well, making contributions that helped the team win. The boys showed great energy and didn't give up, getting the ball back when they lost it, getting in front of a player and running hard for the whole game. The tight game was opened with Trinity scoring the first goal. However the Wyvern team showed great resilience by making an excellent comeback with a final score of 3-1.

Newington's three goals were scored by Flynn Stokes, Thomas Blanken and Marcus Pearson. The man of the match was Marcus Pearson who did an excellent job as defender and scored a magnificent goal with a long shot. Hugo McGann was awarded Wyvern Spirit for his superb ground coverage, tremendous tackling and excellent passing in midfield. Overall, the team playing great football to come out on top and win their first game.

12B FOOTBALL TEAM MATCH REPORT

The first outing of the Winter season saw Wyvern's 12Bs taking on Trinity at Cooke Park. The boys' stamina would be tested owing to a couple of absences on the day – to their credit, the team pulled together and ran hard for the duration of the match.

The first half was tightly contested, and Wyvern defended well. Solid tackling and clearing from the likes of Jack Rudd and Gabe Lee was particularly impressive, and Ari put on some tidy keeping in his first stint as goalie. Wyvern went into the half time break 1 – 0 down.

The solid defensive effort continued into the second half and the boys were unlucky not to pull back an equaliser inside the first five minutes. Unfortunately, though, a couple of quick-fire goals from Trinity put the match beyond reach. Man of the match went to Spencer Baird, whose positional play was absolutely on point.

Plenty to work on at training, but lots of positives to take from the match as well.

12C FOOTBALL TEAM MATCH REPORT

On a cool morning in Cooke Park, the 12C's lined up for their first match of the season. We were playing Trinity Grammar. We hadn't played in a few months, but we were ready for our opening match. It was game time.

The game was kicked off by Newington. We had a bit of a shaky start conceding the first goal of the match. But we then woke up with a couple of promising attacks until I netted in a goal to level the scoring. I then went on to punch the flag like Timmy Cahill. However we knew we still had a game ahead of us.

The ball bounced back and forth between the sides with Newington slightly dominating in possession. This was until we finally saw out the opportunity with Henry Cooper scoring a great team goal to put us a goal ahead. Afterwards, the whistle blew for half time. Mr Cross, our coach, praised our game but we still had another half left to play.

Trinity then kicked off the second half and unfortunately, they kicked two goals to put themselves ahead. Then the game mainly went back and forth until full time. At full time, we shook hands with the other side. Unluckily, we lost 3-2, but everyone on the team played well and we were proud of our performance both upfront, in the middle and at the back. Tommy Clark received Man of the Match for his impressive defensive display and William Turner received Wyvern Spirit for his great show of sportsmanship when he gave the ball to the other team when the referee gave the ball to us, even though it came off Will. Overall, we played good football, and we're excited to see what we can do in our next nine games.

AFL DIVISION 1 – YEAR 6 TEAM MATCH REPORT

After a tough initiation to AFL last year, our boys were a little wiser and more experienced going into their round 1 clash against Waverley who boasted several CIS representative players.

With the introduction of two new players in Jasper Walsh and Sebastian Parhash, we were quietly optimistic of a strong showing. Having the added size and fitness of these two fine recruits proved to be very helpful and despite their inexperience, by games end they managed to earn our 'Man of the Match' and 'Wyvern Spirit' awards respectively. They were ably supported by Felix Hochuli who was a ball magnet and Harry Earwaker who tried hard all day. Kaiden Hassen kicked our first goal and provided great drive out of the centre. Oscar took his game to a new level from last year and provided dash out of the backline. Max Franco was his ever reliable self as was Matt Potter. Hamish Ingham showed glimpses of what he can do when he attacked the ball with determination. Ishaan looked good when he used his speed to advantage. Josh Byrne, Lachlan Ole and Kiran Hyne all played with greater confidence than last year. The experience from last year no doubt helping in preparing them for the challenges of Division 1 AFL.

Despite a strong first half, in the end it was the more experienced and athletic Waverley team who wore the Wyvern boys down and ran out winners. A good lesson for our boys and certainly plenty of positives to build upon in future matches.

AFL DIVISION 2 – YEAR 5 TEAM MATCH REPORT

Leading into round 1 of a new season, no one knew what to expect from this young, inexperienced team. Despite lacking experience, our boys certainly didn't lack enthusiasm as they started the first quarter full of running against an equally inexperienced Waverley side.

With the confidence of having nothing to lose and the support of coaches Lowrie and Brunton to back themselves to win the ball, our boys played with great freedom. Mistakes with skill errors occurred and opportunities went begging at times but these boys continued to pick themselves up and try again and again to win the ball for their team. This persistence proved to be the difference in the end and our boys won their first game of the season by a narrow two goals.

Luca Smith earned Man of the Match honours ahead of Sacha de Rosnay. Both boys led our team with distinction on the day. Josh Ibrahim played with outstanding 'Wyvern Spirit' to win our first 'Wyvern Spirit' award for the season. Tom Edwards proved to be a strong target and Adam Cooper was clever around goals. Jamie Hokin, Preston Leadon, Philip Antipas and Jimmy Simpson grew with confidence the more the game progressed and Ethan Fadel and Joel Lyon both showed promising signs for the future.
