

Program Update

Welcome to Term 4 and what a great start we have had! It was great to see lots of the Newington boys attend our Vacation Care Program! For those of you who were away I have included a quick run down of some of the fabulous things we enjoyed!

During the holidays we went on 2 exciting excursions to Taronga Zoo and the Maritime Museum. In house we loved our great themed days which saw the children develop their creative side, and of course we continued on with all of the new sports.

This term we have introduced a new afternoon routine for the boys which has been embraced by all. The boys are enjoying their free play in the play spaces, sports matches and using some of their time to complete set homework tasks. We are having a daily catch up meeting where we are asking for child suggestions. The boys have been requesting activities such as; fireball, skittles, bin ball, cricket, bull rush and survival tag. Craft activities are also on offer daily. Over the last two weeks the boys have enjoyed making playdough, milk dye prints, nutrition week challenges, adding to our Program goals display and various origami creations.

During our daily catch up meeting we have also been recapping our behavioural expectations at the program and safety aspects to ensure all of the boys are having an enjoyable and safe time at OSHClub.

We will be having various weekly themes throughout the term. This week the boys enjoyed exploring Healthy eating and Nutrition through a range of learning based experiences. The weekly theme has also encouraged some of our younger children to try new healthy options for afternoon tea!

Halloween is around the corner so of course the boys have asked if we could celebrate! We are all looking forward to many spooky crafts and games.

Whilst we love receiving child suggestions, we would also love any parent feedback or suggestions!

On a final note I would like to welcome Rio to our team. Rio is a qualified soccer and rugby referee and a lover of all sports! Rio also has experience performing in musical theatre productions for many years. Rio is currently studying Sport Science at UTS and brings a lot of energy and enthusiasm to our program and Newington OSHClub team!
