WATER POLO A TEAM MATCH REPORT

The A's similarly were excited to be playing when inclement weather threatened other sports; our field is always underwater! After a warmup delivered by newly awarded Wyvern Water Polo captain, Xavier Borralho, the boys were in the water and playing. The Knox A team seemed to be more confident than the one that was met in the first half of the draw. There was no easy possession to find and the Knox goal keeper proved very hard to beat. The end of the first quarter saw Newington hold the slimmest of advantages 1-0. Lipina Ata broke the game open in the second quarter with a dominate performance, often besting numerous defenders. Dante Zappacosta had a big game in goals, only letting one past him from the numerous shots on goal. In the second half, Newington's strength started to show and goals started flowing more freely. At this stage, New boys were getting penalised for seemingly minor transgressions and had to adjust their style of play accordingly. The final score was a hard fought 8-1 victory.

WATERPOLO B TEAM MATCH REPORT

Wyvern B arrived at Knox enthusiastic for their only away match for this half of the season. Unfortunately, they were not allotted any pool warm up time so as soon as they entered the water they were playing. This did not deter the boys as they immediately demonstrated their swimming strength and passing ability scoring a goal in the first 30 seconds of the game. Lewis Saupin continually swam hard and was justly rewarded with open water scoring goals at will, five in total. The second quarter saw a resurgence from Knox but the Wyvern boys responded and made it a relatively quiet game for the goalkeepers Burshtein and Mougios. At the conclusion, six of the eleven players managed to find the back of the net and Newington were comfortable winners. Toby Torrible was awarded Best and Fairest for his effective passing and superior game sense. Wyvern Spirit went to Preston Leadon for his overall improvement, incredibly positive attitude and two goals

BASKETBALL A TEAM MATCH REPORT

Last weekend the A's basketball team played a tough but enjoyable game against Cranbrook. Unluckily the A's team were beaten by a close 10 points. It was a great game to watch. Next week, the boys will continue to focus on playing with a great attitude and Wyvern spirit.

BASKETBALL B TEAM MATCH REPORT

The Newington B team basketball team had a great match on the week end, beating Cranbrook 37-7. Newington came out of the gates fast scoring three baskets in the first couple of minutes. Cranbrook were a good team but with Newington's defense and ball handling the B's pulled off a great team win.

A special mention to Mac Berman who had a great game in defense and offense, scoring many baskets and saving many too. Overall, the B team had a great game and came out top, the boys should all be very proud and happy with their performance.

BASKETBALL YEAR 3/4C TEAM MATCH REPORT

The C's Basketball team piled into the Cranbrook gym early on Saturday morning to support their mates in the D team. The boys were well prepared for a tight contest and entered the game focused and composed. After his Best and Fairest effort from the week before Nick Wadland started at Point Guard and caused headaches for the opposing players as his silky ball-handling skills left the opposition grounded like statues. The game was a tightly contested early with the Wyvern and Cranbrook players trading basket for basket. Oscar Burshstein and Maxim Willis-Davis seemed to have surplus energy to burn as they sprinted the length of the court and always seemed to be in the middle of the action. Bilal Asad found open space and his jump shot looked on point. Going into the half, the Wyvern boys shared the ball well and managed to find a basket on the halftime siren, evening up the score at 14 all. The tight contest continued into the second half with the stakes of the game rising as Will Nicholas competed hard against his cousin. With the game going down to the wire, Jonno Tang and Peter Koumoulas exploded to provide consecutive baskets to edge the Wyvern boys ahead with only minutes to play. As the game clock ticked over for the final seconds of the match, the Wyvern boys had an opportunity to win the game but could not find a clean shot. The Best and Fairest award went to Sam Hallit whom it appears is drawing much inspiration from his Eminence study of Magic Johnson!

BASKETBALL YEAR 3/4D TEAM MATCH REPORT

The mighty D's basketball team were playing on the road against the emerging Cranbrook hoop stars. Prior to the game starting it was clear that we would be vertically challenged in the contest. Hamish Ingham looked damaging early, putting our first points on the board with his soft shooting touch. Dean Xistouris continued his strong run of form, he played hard and super competitive throughout the whole match. The team focus was to play settled and composed basketball. Chris Boulougouris and Jack Parkes were both unselfish in the way that consistently looked to pass the ball to their teammates. The first quarter was a tight contest with the Wyvern boys trading baskets with the Cranbrook team. Cranbrook looked quicker and slightly hungrier in the second half. The dynamic duo of Ned and Harry Wadland provided plenty of spark throughout the game, and the team was assisted by Nick Tsakonas who has benefited from playing countless hours of basketball at recess time. A great team effort with strong signs of improvement.

CRICKET YEAR 3B T20 BLAST TEAM MATCH REPORT

This past Saturday saw the Wyvern Year 3 cricket teams taking on St Aloysius at St Leonards Park. Will Gray, captain in the first match, won the toss and elected to bowl. Some tidy wicket keeping from Eddie Guy and solid bowling spells from Hugh Edmundson and Charlie Appleyard made runs hard to accrue, although St Aloysius were up to the task. Set a target of 97 to win, Wyvern started solidly with some well-placed boundaries, but ultimately fell 16 runs short. Man of the match went to captain Will Gray.

In the second match of the day, Wyvern were sent in to bat, and openers Guinness Devlin and Charlie Auld started solidly with runs flowing freely. St Aloysius had some great pace in their bowling attack, which restricted the Wyvern run rate - Aloysius were set a target of 101 to win. Some consistent bowling was again on display from Wyvern, with a maiden over from Guinness and great pace from Max Barry, but St Aloysius chased down the target in the last over.

Many positives to come from the match in spite of the loss, and a real improvement from the previous week.
