

Program Update

Over the last two weeks we have been having lots of fun here at Newington OSHClub!

Our spooky Halloween these was a huge hit with our boys with many of them suggesting activities and enjoying halloween crafts such as mummy making, trick or treat bags, scary masks and hanging spiders!

The new routine has continued to be a success and the boys have embraced the opportunity to lead and explain many games. During a daily catch up meeting each afternoon the boys are enjoying being given the opportunity to know what is on for the afternoon and they also love to suggest games and sports! Each day we are having the boys help to set up the sports equipment, arrange teams and explain the rules of the games. With the new structure and many new games introduced we have seen an increase in participation and many parents being asked if the children can stay longer, which we love to see!

This week we will be celebrating 'national others week' and focussing on the importance of friendships and personal wellbeing! As always both child and parent suggestions are always welcome and we look forward to continuing to work closely with all families.

On a final note we welcome Bec back next week after 3 weeks on prac , we are all excited for her return!

Booking Reminders

Thank you to all of our families who are remembering to book in regularly. This helps us maintain safe staff to child ratios and ensure we have plenty of food prepared for our hungry boys. We do understand that last minute events arise and for this reason we do accept drop ins. However if you know that you'll be needing one off care, please endeavour to book online the day prior to your child attending the service. You have until midnight to book your child in for the following day. Should you need to make a late booking (attend on the day of), please SMS/phone the coordinator on 0428 131 700. If we are at capacity, we may need to inform you that we are unable to accept your child for the afternoon.

Should you have any issues regarding your online account; please contact our accounts team on 1300 395 735.
