CRICKET YEAR 3A TEAM MATCH REPORT

In recent weeks, despite some nice bowling and fielding, the team has been struggling to take enough wickets to be in with a winning chance. Accuracy of throws and work in the field to back up and support the bowlers has been a focus during the week. With Jack Putter and Finn Herrig opening the bowling pressure was applied as both bowlers hit their spot early. Edward Walker took 2 wickets in his first over to provide Wyvern with a buoyant demeanour. This manifested in Jimmy Reilly and Digby Leadon throwing themselves at balls in a bid to limit the score of Grammar. Harry Vohra took 2 late wickets along with another from Herrig to round out the innings.

Josh Murphy, Alexander Petrovski and Callum Proctor all tried hard with the bat, looking to sneak home for singles with good calls. The bowling from Grammar did not lend itself to scoring freely, with accurate, bouncy deliveries hard to strike with confidence. At the conclusion of the game Grammar had scored a fine 145, too many for Wyvern's 83. The Wyvern team are definitely enjoying their cricket and improving every week. This fine attitude will undoubtedly reap rewards in the future, with a win not far away. The players from both sides took great pleasure in congratulating each other and sharing a few stories, before the stumps were put away for another day.

CRICKET YEAR 3B TEAM MATCH REPORT

Coming off a win last week, the boys were brimming with confidence, keen to display their improving game on the Johnson Oval. During training, bowlers have been working on their follow through at the crease and correct grip on the ball. With an improvement in accuracy, it appears as though the training is paying off. Frederick Simmons and Nicholas Softsis took wickets, with Max Moore and Eddie Gardiner also finishing the innings with wickets in a late flurry. Max Coumbiadis worked tirelessly in the field to support the team, with Marcus Gorevski taking another spectacular catch to leave batsmen bewildered and spectators cheering.

Jacob Ibrahim and Muhammad Tehfe got the Wyvern team off to a great start with the bat, hitting the ball to the boundary and running well between wickets, without the loss of a wicket. George Williams and Will Churchin were dangerous with the bat, keeping the run rate ticking over. As the game came to a close, Grammar St Ives had amassed 170 to Wyvern's 97. Both teams shook hands and congratulated each other with three cheers, in a fine display of sportsmanship.

BASKETBALL YEAR 5/6 A & B TEAM MATCH REPORT

The Year 5/6 A & B basketball teams endured a hot, tough morning at Newington's Sevington Basketball Court. St Aloysius were a very strong opponent in both games and put our teams under tremendous pressure to create easy baskets for themselves. Our B's worked very hard and strove to stay in the game. Harry Wadland, Sacha De Rosnay and James Rodgers stepped up and there was some lovely play by Chris Boulougouris and Peter Koumoulas. In the A's it was the big guys, Thomas Kosmas, Mac Berman and Joel Lyons who fought industriously all day for the team. After 2 losses on the trot, the 5/6 A & B basketball teams have a hard week ahead on the training court and will look to bounce back next week against Redlands.

BASKETBALL YEARS 5/6 D TEAM MATCH REPORT

On the third of March the Year 5/6 D Wyvern Basketball team versed St Aloysius in a sweaty, bloody and intense game. One of our best shooters, Marcus Duggineni was off with an ankle injury so we didn't make a lot of shots. However, there were some good attempts, 4 great shots including an amazing swish by Zack Sherrat. Meanwhile no one on the other team was getting an easy shot in with Youseff Taleb and Hunter Fadel on defence. Destyn Diep, Marc Grillakis and Will Kah were also doing their part swiftly taking the ball up to the other side and stepping anyone in their way. Jack Kunovski was doing great until he got injured and was taken off with blood flowing out of his cut lip. Thankfully he is okay now. Despite this effort we still lost 21-7. Nevertheless, everyone did great and I am extremely proud to be in this team.

TENNIS B TEAM MATCH REPORT

The B's tennis team were fortunate to play on the grass courts at the old White City complex last Saturday. The luxury of having 6 courts to use meant it was straight into the singles - with solid wins to Oakley and Luka. In the doubles Luka this time partnered with Hunter came out ahead. It hasn't been an easy start to the season, but the boys have remained positive and sportsmanlike throughout. Great serving and rallies ensured some winning games from Yanni and Edmund. Fred, Vishay and Ethan played with enthusiasm. Whilst it was a Scots win the boys did their best and are be congratulated.
